College of Pharmacy

**CIRCULAR**

18-12-2020

This is to inform to all the faculty members of St Pauls College of Pharmacy that following faculties are the mentors for the Even semester (II,IV,VI,VIII) of the academic year 2020-21.

The list of mentors is enclosed here. Please check the same and notify if any necessary changes required.

Roles and responsibilities of mentors:

- Mentor acts as a local student counselor and takes the responsibility of mentoring of their students till completion of the course.
- Interaction with newly joined students about getting of their personal information, strengths/ weaknesses and information on mentoring is given in the orientation program itself.
- A new customized student mentorship booklet is maintained by the faculty for each student which includes their personal information, academic performance, interests, efforts, subject teacher suggestions, observations and remarks by the mentor.
- The mentor will discuss individually or in group with all mentees and rectify their problems. Each periodic status of academic and performance related issues are discussed with students and are informed to the parents/guardians.
- Slow and advanced learners are identified based on internal exam, knowledge, cognitive skills. In this process slow learners are given academic, moral support and encouraged to attend tutorial and remedial classes. Advanced learners are encouraged to present papers in conferences and symposiums, attend workshops and involving in college level research activities.
