## **REPORT**

### **LICENSES FOR PHARMA INDUSTRY**

Name of the Program: Workshop on Licenses for Pharma Industry

Resource person details: Mr Srikanth

Date: 23/2/17-27/2/17

A workshop on Licenses for Pharma Industry was organized by St Pauls college of Pharmacy from 23/2/17- 27/2/17

The workshop was carried out for 5 consecutive days.

#### **DAY 1 (23/2/17)**

The speaker started the session by discussing what licensing is and how to license novel molecules and technologies which is a new-fangled phenomenon in the Indian Pharma Industry;

The following points were discussed during the session.

- ❖ Lead generation: sources that support in generating licensing opportunities like paid reports, online licensing sources, scientific discussion forum, daily alerts, newsletters, review articles etc.
- ❖ Shortlisting– based on the strategic focus area(s). It can be funneled by applying various criteria – dosage form, molecule, geography, therapy focus etc.
- ❖ Alternatives to licensing including exporting, acquisitions and establishing a wholly owned international subsidiary

#### **DAY 2 (24/2/17)**

- ❖ In-licensing, out-licensing
- ❖ The speaker discussed how to approach and connect with the key personnel in the target company (Head of BD & Licensing, CSO, CEO, Sourcing or Procurement Head, Business unit or Country Head etc.)
