INSTITUTION VISION

To be the most reliable source for education, teaching, research in pharmaceutical and allied sciences to serve the needs of the health care system.

INSTITUTION MISSION

M1- To strive towards academic excellence and training in pharmaceutical sciences for student centric outcome by providing overall development to pharmacy aspirants.

M2- To produce qualified and competent pharmacists from all corners of the society with the help of qualified and experienced faculty.

M3- To align with time to meet the demands of the health care system.

QUALITY POLICY

Nurturing the students with quality education and overall development in pharmacy and allied fields through dedicated faculty & state-of-art infrastructure.

Instructions to Mentors

All the students of the college come under this system from the date of joining the college.

Objective:

- To counsel the students on professional as well as personal issues by respective mentors on a regular basis and to keep track of the progress of the mentee.
- To solve the grievances and report it to the concerned committee (Academic/ Anti ragging /grievance committee)

Policy:

A teacher student council is for the mentoring of the students in order to counsel students for the problems (personal or academic) faced by them. Each staff members have been allotted 20-25 students.

SOP:

1. The staff member should conduct two meetings per semester with the allotted students.
2. The detail data of each allotted student should be collected in the format provided in
 - a. a **mentor book** (to be continued in previous book/to be issued from office).
3. Any difficulties or problems faced by the allotted student should be noted and efforts to solve them should be taken appropriately in consent with the concerned committee (Anti ragging/grievance committee)
4. The mentor should counsel the students for career guidance and higher studies preparation from the root level.
5. The report of the meetings should be submitted to the incharge.
6. A compiled action taken report should be submitted at the end of the academic year to the incharge in the given format.
7. Any deviation from studies or lack of interest in studies or irregular to class will be monitored and appropriate measures will be taken accordingly.
8. The following need to be monitored by the mentors.
 - Academic Performance
 - Competitive Examination Details
 - Co-Curricular and Extra-Curricular activities
9. The mentors meet the students periodically and monitor their performance and their activities. Guidance regarding the lagging issues is provided. Occasionally, proctor meeting with the parents is conducted based on the requirement.

VISION

To be the most reliable source for education, teaching, research in pharmaceutical and allied sciences to serve the needs of the health care system.

MISSION

M1- To strive towards academic excellence and training in pharmaceutical sciences for student centric outcome by providing overall development to pharmacy aspirants.

M2- To produce qualified and competent pharmacists from all corners of the society with the help of qualified and experienced faculty.

M3- To align with time to meet the demands of the health care system.

QUALITY POLICY

Nurturing the students with quality education and overall development in pharmacy and allied fields through dedicated faculty & state-of-art infrastructure

B. PHARMACY EDUCATIONAL OBJECTIVES (PEO'S)

PEO I- Students shall have the ability to apply knowledge across the discipline and in emerging areas of pharmacy for higher education, research and employability.

PEO II- To promote quality education with highly professional, ethical attitude and to march with times in multidisciplinary areas of pharmacy.

PEO III- To prepare pharmacy students for serving the community by creating awareness about health care issues.

PEO IV- To prepare the students to meet the needs of the society, face realistic problems and solve them

PEO V- To encourage the students to participate in life long learning process for serving the society.
