About INSTITUTE

A GLIMPSE OF CAMPUS

St. Pauls College of Pharmacy was established in 2007, approved by All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI), New Delhi, and affiliated to Osmania University, Hyderabad. The college is situated in a serene and beautiful campus which is conducive for imparting quality education, helpful for the growth of knowledge, and career- building. The college has provided excellent credentials in the field of pharmacy education with a clear focus on the peaceful learning environment and sophisticated infrastructure.

Aims of INSTITUTE

Vision of the Institute

To be the best institution in the field of pharmacy by providing excellent education with the aim to achieve overall development of the students, to cater the needs of the profession and society

Mission of the Institute

To train and develop the students to emerge as pharmacists through innovative teaching- learning and research with the objective of student centric education.

Vision of the Programme

To be the most reliable source for education, teaching, research in pharmaceutical and allied sciences to serve the needs of the healthcare system.

Mission of the Programme

- MI** To strive towards academic excellence and training in pharmaceutical sciences for student centric outcomes by providing overall development to pharmacy aspirants.
- MI** To produce qualified and competent pharmacists from all corners of society with the help of qualified and experienced faculty.
- MI** To align with time to meet the demands of the healthcare system.

Quality Policy

Nurturing the students with quality education and overall development in pharmacy and allied fields through dedicated faculty & state-of-art infrastructure.

PHARMACIST OATH

As a pharmacist, I vow to serve humanity and to support my profession's ideals and commitments.

- I swear by the code of ethics of Pharmacy Council of India, in relation to the community and shall act as an integral part of health care team.
- I shall uphold the laws and standards governing my profession.
- I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.
- I shall follow the system which I consider best for Pharmaceutical care and counselling of patients.
- I shall endeavour to discover and manufacture drugs of quality to alleviate sufferings of humanity.
- I shall hold in confidence the knowledge gained about the patients in connection with my professional practice and never divulge unless compelled to do so by the law.
- I shall associate with organizations having their objectives for betterment of the profession of Pharmacy and make contribution to carry out the work of those organizations.
- While I continue to keep this oath unviolated, May it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!
- Should I trespass and violate this oath, may the reverse be my lot!

In taking this solemn oath / making this promise, I honour those who have supported my development as a pharmacist and commit myself never to act in a manner that is contrary to these vows.

ADVISORY BOARD

Prof. V. VenkataBasava Rao

Principal, University college of Technology, Osmania University

Dr. M. Venkat Reddy

Ex-Drug Controller of Andhra Pradesh Advisor, Nacto Pharma Ltd;
Chairman, Law committee, PCI New Delhi.

Dr.V.S.V Rao. Vadlamudi

President of the Commonwealth Pharmacists Association, Professional Scientist,
SEAR Pharm Forum Immediate President, IPA

Dr.R.S.Prakasham

Emeritus Scientist and Professor, CSIR- Indian Institute of Chemical Technology,
Hyderabad

Dr. NemaniHarishankar

Scientist E National Institute of Nutrition, India

Dr. G. Bhanu Prakash Reddy

Scientist F NIN, Hyderabad

Dr. Samba Reddy

Professor (Medicine) at Texas A&M University
Bryan, Texas, United States

Dr. M Sunitha Reddy

RPh. USA, Associate Professor & BOS Chairperson,
Center for Pharmaceutical Sciences, JNTUH, Hyderabad

Dr. Vidyavathi

M.Pharm, Ph. D, Professor, Institute of Pharmaceutical Technology Sri Padmavathi-
MahilaVishvavidyalayam (SPMVV), Tirupati, Andhra Pradesh, India

Dr. Bindumadhavi

Professor, School of Pharmacy, Mount Kenya University.

Dr. Ajit Singh

National Director for Research at World Youth Heart Federation (WYHF)
Co-founder & CEO, CliMed Research Solutions

Dr. KarthikRakam, PharmD

President at Pharmacon Society Medical Advisor, Health Cloud AI.

Editors MESSAGE

TRANS PHARMA

is the official annual magazine published from St Paul's college of Pharmacy. TransPharma is the quality initiative from St Pauls with the vision of "world in and beyond classroom". This magazine primarily focused on academics and events conducted by the institution in the year 2019 – 2020. This year has a curtail moments induced by COVID 19 pandemic which in turn has shown a remarkable impact on pharmacy education. How St Pauls and its team have knocked out the lockdown is the interesting aspect and even inspiration for rest of the profession. Even though first half of the academic year went smoothly, the second half has thrown various challenges to both staff and students of the institution. Highlights of TransPharma 2019 – 2020 are THREE day induction program for first years, Pharmavridhi 2020, National level conference Osmania University PERCEPT 2020, IPASF- St Pauls Chapter, Communal/ Outreach activities by students, three Webinars and virtual Alumni meet. St Pauls has organized three webinars which are first of its kind by inviting eminent speakers across the globe. Our first quarter IPASF activities are published in Pharma Times. Participation and achievements of faculty and students in various national / international events was really worth noting and true motivation for others.

College **ACTIVITIES**

A DISCUSSION ON CARRER PATH WITH PROFESSORS OF EAST CAROLINA UNIVERSITY, USA – 16TH JULY 2019

A very exciting session was conducted with the dignitaries of EUC regarding higher studies in East Carolina University (ECU) & other colleges within the United States and also about Pharmacy Licensing in USA for Pharm D students. It was addressed by Dr. Paul Gemperline, Dean of ECU, Dr. Richard Frankline, Dean of Restorative school, ECU, Ms. Collen Ronald and Dr. Divya J (Ph.D Scholar ECU). It was an overwhelming session which cleared doubts of students regarding pharmacy licensing exams and higher studies in USA paving the way for their dreams.

PHARMAVRIDDHI 2K20– 19TH&20TH FEBRUARY 2020

Two day National Level Conference Pharmavriddhi 2020 was organised by St. Pauls College of Pharmacy on 19th and 20th February 2020 with the theme **Pharmacy and healthcare “A Paradigm Shift from Traditional knowledge to modern medicine”**. The event was conducted with the gracious presence of highly eminent personalities of pharmacy profession.

- Prof. R. Shyam Sunder, Principal, University of Technology, Hyderabad.
- Dr. M. Venkat Reddy, Chairman Law Committee, PCI & Ret. Director and Drugs Control Administration, Andhra Pradesh.
- Dr. Ashish Agarwal, Medical Advisor, Vaccines, GlaxoSmithKline, Hyderabad.
- Dr. Jagannath Kota, Associate Director, DMPK- Novartis healthcare Hyderabad.
- Dr. Lingaiah, National scientist.
- Dr. Krishna Undela, Associate Professor, JSS Academy of Higher education and research, Mysore.
- Mr. Subodh Singh, Vice President, KIMS Hospital, Hyderabad.

All the speakers left a remarkable impact on the audience which inspired them to thrive for excellence. The conference covered various aspects of Pharmacy Profession.

The PHARMAVRIDDHI -2020 conference strived to bring together all pharmacy stakeholders from every corner of profession for the two day event and it turned out to be a grand success. The conference aimed to bridge the gap between conventional and critical or outcome based modern approach in reaching the goals of health care system. Participation from students was sensational and in huge numbers in oral and poster presentations. Food stalls and games were also arranged to make the conference a joyous and an unforgettable memory/ experience for all. Awards, cash prizes and mementoes were awarded to all the winners. Participation certificates and presentation certificates were also provided along with conference kit to the delegates.

WORLD GLAUCOMA WEEK – 12TH MARCH 2020

IPASF ST PAULS Student Chapter organized the event of 'WORLD GLAUCOMA WEEK,' in which we gave an awareness presentation to all the Pharm D and B Pharm students of St.Pauls College of Pharmacy and we have conducted an awareness campaign at ZPHS, Ragannaguda eye check-up was done for 71 members from which nine members were found to have an defective eye sight. Later glaucoma awareness session was conducted for around 200 students of class 6th to 10th standard. An interaction session of Q & A was conducted in which students actively participated. The overall feedback from the school students on event was found to be helpful, beneficial and created a required awareness.

Glimpses of World Glaucoma Week

OU PERCEPT – 13TH MARCH 2020

St.Pauls College faculty and students have contributed in PERCEPT 2020 (Pharmaceutical Education & Research Challenges for Emerging Prospects & Trends). PERCEPT is a two-day National Level Seminar held at Osmania University in association with consortium of Affiliated Colleges of Pharmacy, OU & Indian Pharmaceutical Association (IPA)-TS, Organised by Department of Pharmacy, University of Technology, Hyderabad on 13th and 14th March 2020.

CONTRIBUTIONS FROM ST.PAULS COLLEGE FOR PERCEPT 2020:

1. Dr. B. Chandrashekar, Professor & Principal – actively involved as a key member in “Organising Committee” (Food Committee). Delivered Vote of thanks for the complete two days session at the end of conference.
2. Dr.M. Kiranmai, Associate Professor & HOD (Department of Chemistry)- “Chair person for Scientific session (Poster Presentation).”
3. Dr.K. Venumadhav, Associate Professor & HOD (Department of Pharmaceutics)- “Chairperson for Scientific session (Oral Presentation)”.
4. Dr. T. Keerthi & Dr. Seema Tabassum, Assistant Professor, Department of Pharmacy Practice worked actively under “Registration Committee”.
5. Preparation and Display of all the necessary posters required for the conference.
6. Visual Audio & display by Students.
7. Student volunteers with active participation from our college – P.Sairam (PharmD III year), Sainath & Wasi (PharmD II year).

St. Pauls college of Pharmacy have organized Webinar-1 with the theme of "Traveling With Covid-19 Pandemic And Impact On Pharmacy Profession" on 29May 2020. The session was gathered with the eminent speakers- Dr.R.S. Prakasham, Chief Scientist @ CSIR-IICT, Tarnaka Hyderabad and Mrs. KarunaNallani Pharmacy Manager.

The to Webinar was hosted by Chief coordinator Dr.M. Kiranmai Vice Principal SPLP,Dr. K. VenuMadhav, Head, Department of Pharmaceutics and Dr. S. VanitaSagar, Head, Department of Pharmacognosy were faculty coordinators. The session was attended by UG and PG students, faculty of pharmacy from various states of India. The speakers have discussed on the impact of Pharmacists in this pandemic for the patient's wellbeing all over the world and also discussed about the roles and responsibilities of the pharmacists.

An overview of speaker's session and panelist discussions

WEBINAR @ 2

St. Pauls College of Pharmacy has organized a webinar with the theme “Current Trends & Future Prospective of Pharmacy Profession” on 13th June 2020. The session was truly enlightening with these eminent speakers-

1. Dr. M.Sunitha Reddy M.Pharm,Ph.D FGEE,NABP[MEM],RPh.USA. Associate Professor, JNTUH-Hyd.
2. Dr. SudheerVinnamala-Consultant Gastroenterologist, Hepatologist, Therapeutic Endoscopist and Head- COVID Medical Management,KIMS,Hyderabad.
3. Dr.Krishna Mariganti-CEO & MD, Colabs Pharma Pvt. Ltd.

The Webinar was hosted by Chief coordinator Dr. Kiranmai Mandava Vice-Principal and Professor, St.Pauls College of Pharmacy along with Dr. K. Venkateswarlu and Dr. P. Sunil Kumar Chaitanya. The Speakers have taught us all about the current scenario and future prospective of the Pharmacy profession in India for development of medicines and drugs, thus making it more effective.

An overview of speaker's session and panelist discussions

WEBINAR @ 3

On the occasion of International Yoga Day 2020, St. Pauls College of Pharmacy was fortunate enough to organize WEBINAR-3 in association with IPASF St.Pauls student chapter & Yoga Club of our college with the theme “Present Lifestyle Years Yoga – Yoga at home, Yoga with family” on 21st June 2020.

The session was addressed by Dr. K. Manikeshwar Rao, an Ayurvedic Physician and Yoga consultant. At Suraksha Health Village – Hyderabad & Vijayawada. The webinar was hosted by chief coordinator Dr. Kiranmai Mandava Vice- Principal and Professor, St. Pauls College of Pharmacy along with Mrs. P. Naga Haritha & Dr. T. Keerthi. Yoga is all about creating a balance in our life. It’s about balancing our senses, body, soul and mind in order to live a healthy and peaceful life. The session was knowledgeable with more of practical scenarios we experience on daily basis.

Faculty of St.Pauls with speaker during the session

RECONVENE – 28TH JUNE 2020

Online alumini meet was conducted with the passed out students from 2011-2019 where they interacted with the faculty, friends and recollected their college days and also shared their wonderful experience in the college. The college is the place where we cherish the moments, gain knowledge and take part in various co-curricular and extracurricular activities.

“Someday many years from now
We’ll sit beside the candles glow
Exchanging tales about our past
And laughing as the memories flow
And when that distant day arrives
I know it will be understood
That friendship is the key to live
And we were friends and it was good.

So are the words of our pass out students and it was time for Alumni meet this year”

Students expressing their views on their future

Faculty interacting with old students

They even gave suggestions and ideas to their juniors. They boosted up the confidence of their juniors to conquer the dreams successfully. They even mentioned about their life journey from the college end to current position and the session finally ended with lots of joy and bundle of fruitful memories.

COLLEGE ACHEIVEMENTS

IPASF St.Pauls student chapter is working on the various domains to give their best during this lockdown. We proudly announce that our work has been published in 'Pharma Times 'an official monthly newsmagazine of Indian Pharmaceutical Association (IPA) in special issue. Our students conducted awareness programs in the orphanages and rural areas to highlight the importance of disinfection , sanitization and social distancing to prevent transmission of infections. Knowledge & Awareness was also spreaded through posts on social media in different languages making it convenient for everyone. We humbly request all the individuals of our nation to follow the rules of lockdown strictly.Nothing is more important than our well being

4. Department of pharmacy practice, ASN Pharmacy College, Tenali, Andhra Pradesh organized a community based awareness program on COVID pandemic on 20th March, 2020 at some rural areas surrounding Tenali. IPA-SF members distributed the pamphlets to them regarding steps to be followed to prevent COVID-19, as per safety measures to be followed given by WHO. The villagers listened to all suggestions actively in large number and presented good response. Shri. A. Sivakumar, MLA Tenali sponsored sanitizer bottles that were distributed to rural people. The awareness camp was successful under the guidance of Dr. K. Venkata Ramana, Professor & Principal, ASN Pharmacy college, Tenali.
5. IPA-SF St. Pauls chapter from St. Pauls College of Pharmacy conducted awareness programs about COVID-19 in Shanti kiranalu orphanage, Hyderabad on 18th March, 2020 and

explained handwashing and other social distancing techniques to 70+ orphan kids. IPA-SF team prepared posts in English and vernacular languages and uploaded in social media to make sure it reaches each and every person in the society.

IPASF CHAPTER ACTIVITIES PUBLISHED IN PHARMA TIMES

PHARMAVRIDDHI 2020- A Two day National Conference held at St Pauls College of Pharmacy report was published in 'The Indian Pharmacist' in March -April issue. Great efforts and contributions from the management, students and the staff members made the event successful.

■ Association / Institution News

HCFI Organizes CPR Training Camp at DPSRU

NEW DELHI: The Heart Care Foundation of India (HCFI), a leading national NGO working in the field of creating mass health awareness among people from all walks of life and providing solutions for India's everyday healthcare needs, organized Cardio-Pulmonary Resuscitation (CPR) 10 training and health camp at the Delhi Pharmaceutical Sciences and Research University (DPSRU), New Delhi on February 22, 2020. Over 450 people attended the camp where they were also screened for vital health parameters such as blood pressure, blood sugar, and ECG. Over 10 trainers were present at the camp along with Padma Shri Awardee Dr K.K. Aggarwal, President of HCFI and Confederation of the Medical Associations of Asia & Oceania (CMAAO).

Speaking at the camp, Dr Aggarwal said, "CPR is the most crucial and basic procedure to save a life in the event of a sudden cardiac arrest. Learning this technique amounts to real voluntary work as doctors may not be able to reach the victim within the first 10 minutes. It, therefore, becomes the duty and responsibility of bystanders to save lives. The two pillars of community service include: meaningful engagement and mindful participation. Learning the basics of CPR is a community service at its best as it can help avert mortality through timely assistance, before medical help arrives." Adding further, Dr Aggarwal said, "In numerical terms, CPR equates to number 10. In English alphabets, 'C' comes at number '3', 'P' comes at number '16' and 'R' comes at number '18'. Adding the three, that is, C=3, P=16, R=18 (3 + 16 + 18 = 37) and, further the two digits in '3 + 7', the total comes to '10'. So, 'CPR 10' should be an effective way to remember."

According to Dr Aggarwal, the CPR 10 mantra is as follows: Within 10 minutes of cardiac arrest (earlier the better) for the next 10 minutes atleast, compress the centre of the chest with a speed of 100 compressions per minute (10+10). "CPR 10 is easy to learn and easy to do and one does not need to be a doctor or be certified in this technique to do CPR," concluded Dr Aggarwal, on the occasion.

St. Pauls Conducts Pharma Vridhhi 2020

HYDERABAD: A two-day national conference titled "Pharma Vridhhi 2020" on the theme "Pharmacy and healthcare: A paradigm shift from traditional knowledge to modern techniques" was organized by St. Pauls College of Pharmacy (SPLCP), Turkayamjal, Hyderabad, in collaboration with the Indian Pharmaceutical Association-Student's Forum (IPA-SF) on February 19-20, 2020. A total of 800 delegates actively participated, which mainly comprised of eminent academicians, faculty members and students from reputed pharmacy institutions from different parts of the country.

During the inaugural function, the chief guest, Dr M. Venkat Reddy, Chairman-Law Committee, Pharmacy Council of India (PCI) & Retd. Director, Drugs Control Administration, Andhra Pradesh; and guest of honour, Dr Jagannath Kota, Associate

Dignitaries releasing conference souvenir during the inaugural function of Pharma Vridhhi 2020 (from left) are: Dr B. Chandra Shekar, Principal, SPLCP; Dr Jagannath Kota, Associate Director-PK Sciences, Novartis Healthcare; Kotla Sudhir, Chairman & Correspondent, SPES; chief guest Dr M. Venkat Reddy, Chairman-Law Committee, PCI; T. Raghava Reddy, Secretary, SPES; Ms Ella Pragna, Chairperson, IPA-SF and Dr M. Kiranmai, Vice Principal, SPLCP.

Director-PK Sciences (DMPK Division), Novartis Healthcare Pvt. Ltd., Hyderabad along with other dignitaries, namely, Ms Ella Pragna, Chairperson, IPA-SF; Kotla Sudhir, Chairman & Correspondent, St. Pauls Education Society (SPES); T. Raghava Reddy, Secretary of SPES; Dr B. Chandra Shekar, Principal of SPLCP; and Dr M. Kiranmai, Vice Principal of SPLCP released the conference souvenir. Also, the dignitaries on the dais shared their views on the main theme of the seminar.

After the inaugural function, scientific sessions were held. Also, 200 poster and oral presentations were evaluated by subject experts from various disciplines of pharmacy.

On the concluding day of the seminar, various resource persons who deliberated in the scientific sessions included: Dr Ashish Agarwal, Medical Advisor-Vaccines, GlaxoSmithKline, Hyderabad; and Dr Krishna Undela, Associate Professor, JSS College of Pharmacy (JSSCP)-JSS Academy of Higher Education & Research, Mysore, Karnataka.

A valedictory function was also organized which was chaired by Dr Lingaiah Nagarapu, Senior Principal Scientist, CSIR-Indian Institute of Chemical Technology (IICT), Hyderabad; and Subodh Singh B.K., Vice-President, KIMS, Kondapur.

Dr B. Chandra Shekar giving the welcome address during the valedictory function of Pharma Vridhhi 2020. Dignitaries seated on the dais (from left) are: Dr Krishna Undela, Associate Professor, JSSCP, Mysore; Kotla Sudhir; Dr Lingaiah Nagarapu, Senior Principal Scientist, CSIR-IICT, Hyderabad; T. Raghava Reddy; Subodh Singh B.K., Vice-President, KIMS, Kondapur, Hyderabad; and Dr M. Kiranmai.

IPASF – ST. PAULS CHAPTER

IPA-SF student's forum in St. Pauls College of Pharmacy was initiated on the occasion of Pharmavridhi 2k19 by Ms. Pragna Ella, Chairperson, IPASF – National Council. IPA-SF is a member association International Pharmaceutical Students Federation (IPASF). It aims to bring all pharmacy students in India under one umbrella. IPA-SF is a platform for budding pharmacists to explore various aspects of dynamic pharmaceutical profession.

It conducts various activities throughout the year to accomplish the aims and objectives of the association. These activities include: Public health awareness campaigns, leaders in training programmes, pharmacy profession awareness campaigns, scientific symposiums and workshops, patient counselling programmes, industrial visits, student exchange programmes, cultural and sports events.

WORLD GLAUCOMA WEEK – 12 MARCH 2020

IPASF ST PAULS Student Chapter organized the event of “World Glaucoma Week,” in which we gave an awareness presentation to all the Pharm D and B Pharmacy students of St.Pauls College of Pharmacy and we have conducted an awareness campaign at ZPHS, Ragannaguda where eye check-up was done for 71 members from which 9 members was found to have a defective eye sight, later glaucoma awareness session was conducted for around 200 students of class 6th to 10th Standard. An interaction session of questions answers was conducted in which students were participated actively. The overall feedback from the school students on event was found to be helpful, beneficial and created a required awareness.

IPASF ST PAULS CHAPTER PRESENTS
FACTS ABOUT TRANSMISSION OF COVID 19

COVID-19 can spread from person to person through small droplets from the nose or mouth when a person with COVID-19 coughs or sneezes. It is important to stay 1 meter away from a person who is sick.

COVID-19 is not transmitted through the skin or transmitted through respiratory droplets when a person is coughing.

These droplets land on objects and surfaces around the person.

There is no evidence that a dog, cat or any pet can transmit COVID-19.

IPASF ST PAULS CHAPTER PRESENTS
CRITERIA FOR EVALUATION OF COVID-19 CASES

Suspect case

- A patient with acute respiratory illness (fever and at least one sign/symptom of respiratory illness, e.g., cough, shortness of breath), AND a history of travel to or residence in a location reporting community transmission of COVID-19 disease during the 14 days prior to symptom onset.
- OR
- A patient with acute respiratory illness AND having been in contact with a confirmed or probable COVID-19 case (one-time definition of contact) in the last 14 days prior to symptom onset.
- OR
- A patient with severe acute respiratory illness (fever and at least one sign/symptom of respiratory illness, e.g., cough, shortness of breath) AND requiring hospitalization AND in the absence of an alternative diagnosis that fully explains the clinical presentation.

Probable case

- A suspect case for whom testing for the COVID-19 virus is inconclusive, a. Inconclusive being the result of the test reported by the laboratory.
- OR
- A suspect case for whom testing could not be performed for any reason.

Confirmed case

- A person with laboratory confirmation of COVID-19 infection, irrespective of clinical signs and symptoms.

CLEANING & DISINFECTING YOUR HOME AS A PREVENTIVE MEASURE FOR COVID-19 (WEAR DISPOSABLE GLOVES TO CLEAN AND DISINFECT)

1. CLEAN

- ✓ Clean surfaces using soap and water (practice routine cleaning of frequently touched surfaces)

2. DISINFECT

- ✓ Clean the area or item with soap and water or another detergent if it is dirty. Then, use a household disinfectant.
- ✓ Diluted bleach solution may also be used.
 - To make a bleach solution, mix 2-3 tablespoons (1/2" cup) bleach per gallon of water.
 - OR
 - 4 teaspoons bleach per quart of water.
- ✓ Alcohol solutions with at least 70% alcohol.

Measures to be taken after coming home from outside during this COVID-19 Lock Down.

- Foot wear outside can be washed with a disinfectant such as Dettol or bleach, and kept separately from shoes.
- Remove the mask from behind (Do not touch the front of mask); discard immediately in a closed bin. Clean hands with a alcohol based hand rub or soap and water.
- By using disinfectant soak the clothes worn outside in the water before washing them.
- Have a bath, wash your hands and feet thoroughly with soap and water.
- Do not reuse single-use mask.
- Mobile and wallet must be wiped with sanitizer.
- CUs can be answered by switching on the speaker instead of keeping it close to the ear.

VISION

To be the most reliable source for education, teaching, research in pharmaceutical and allied sciences to serve the needs of the health care system.

MISSION

M1- To strive towards academic excellence and training in pharmaceutical sciences for student centric outcome by providing overall development to pharmacy aspirants.

M2- To produce qualified and competent pharmacists from all corners of the society with the help of qualified and experienced faculty.

M3- To align with time to meet the demands of the health care system.

QUALITY POLICY

Nurturing the students with quality education and overall development in pharmacy and allied fields through dedicated faculty & state-of-art infrastructure

PROGRAM EDUCATIONAL OBJECTIVES (PEO'S)

PEO I- Students shall have the ability to apply knowledge across the discipline and in emerging areas of pharmacy for higher education, research and employability.

PEO II- To promote quality education with highly professional, ethical attitude and to march with times in multidisciplinary areas of pharmacy.

PEO III- To prepare pharmacy students for serving the community by creating awareness about health care issues.

PEO IV- To prepare the students to meet the needs of the society, face realistic problems and solve them

PEO V- To encourage the students to participate in life long learning process for serving the society.
