## REPORT

**Name of the Program: Cardiopulmonary resuscitation training**

**Duration of Training: June 07 2016**

**Resource Person Details: Dr.B.Pradham**

**MBBS, Osmania**

St. Paul's college of pharmacy organized "A training program on "Cardiopulmonary resuscitation training" for B. Pharmacy Ist year and Pharm-D I<sup>st</sup> and II<sup>nd</sup> year students by Dr.B.Pradham on 7<sup>th</sup> June 2016. The main objective of conducting CPR Training is to manage an unresponsive casualty who is not breathing normally

- ✓ To Recognize the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

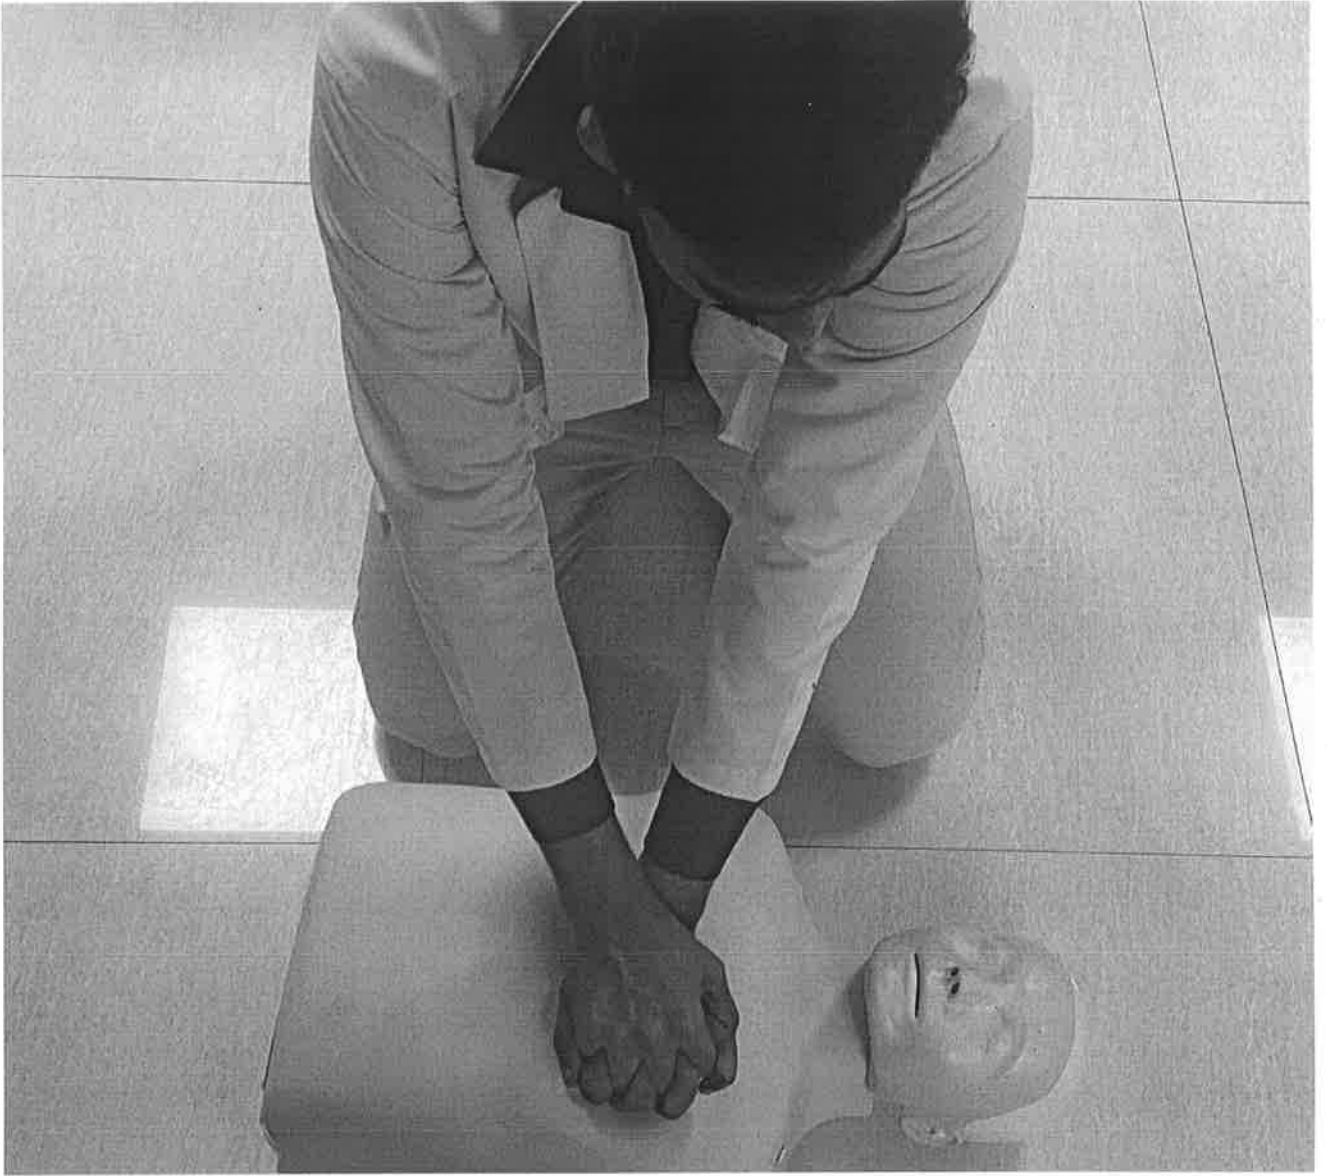

About **120 students** from both the years have attended this informative program. The talk detailed about

- ✓ Assess the scene for danger
- ✓ Assess a casualty's level of consciousness
- ✓ Demonstrate how to open a casualty's airway and check for breathing
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was been very helpful as part of their Hospital postings. The **management and principal of St. Paul's college of pharmacy** expressed the gratitude to **Dr.B.Pradham** and students for making the program successful

## **REPORT**

**Name of the Program: Cardiopulmonary resuscitation training**

**Duration of Training: June 06 2017**

**Resource Person Details: Dr. Avinash**

KIMS Kondapur

St. Paul's college of pharmacy organized "A training program on **"Cardiopulmonary resuscitation training"** for **B. Pharmacy Ist year and Pharm-D 1<sup>st</sup> year students** by **Dr. Avinash** on 7<sup>th</sup> June 2018. The main objective of conducting CPR Training is to manage an unresponsive casualty who is not breathing normally

- ✓ To Recognize the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

About **83 students** from both the years have attended this informative program. The talk detailed about

- ✓ Assess the scene for danger
- ✓ Assess a casualty's level of consciousness
- ✓ Demonstrate how to open a casualty's airway and check for breathing
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was been very helpful as part of their Hospital postings. The **management and principal of St. Paul's college of pharmacy** expressed the gratitude to **Dr. Avinash** and students for making the program successful

St. Paul's college of pharmacy organized "A training program on "**Cardiopulmonary resuscitation training**" for **B. Pharmacy Ist year and Pharm-D I<sup>st</sup> year students** by Dr. Avinash on 8<sup>th</sup> June 2020. The main objective of conducting CPR Training is to manage an unresponsive casualty who is not breathing normally

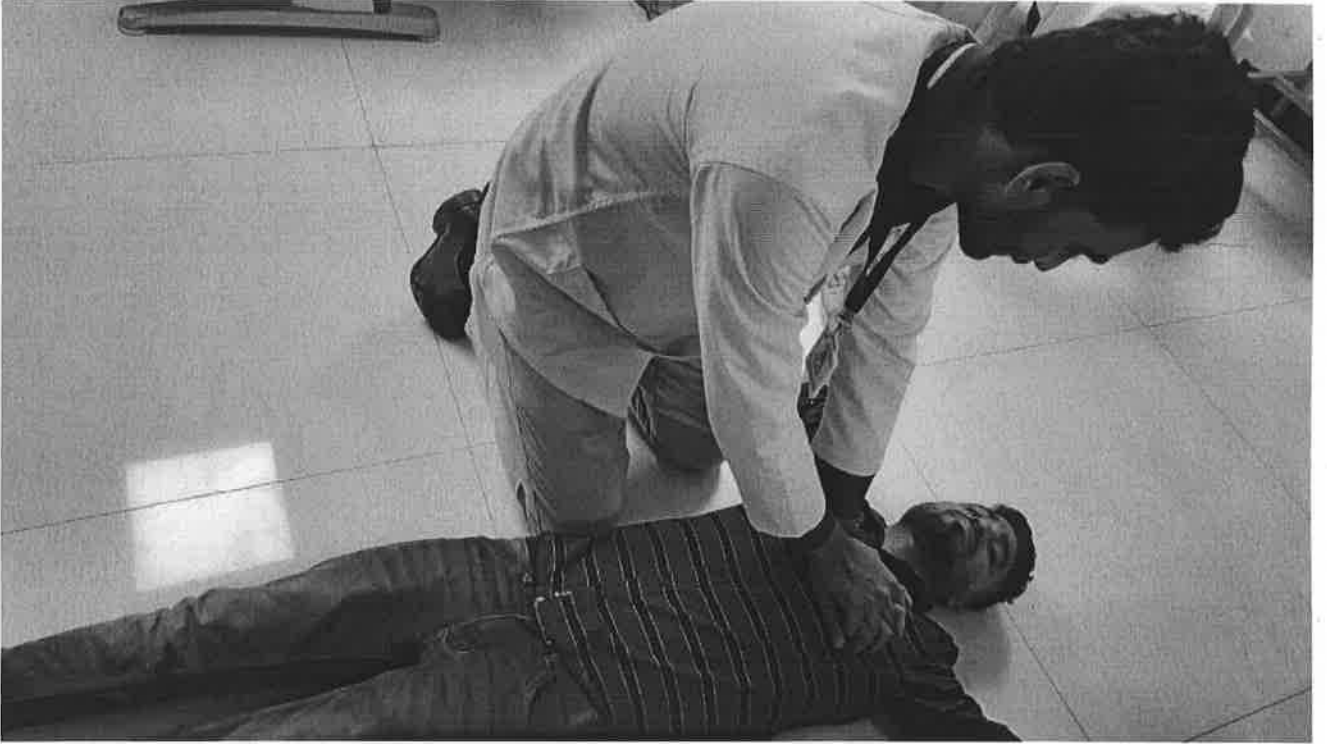

- ✓ To Recognize the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

About **130 students** from both the years have attended this informative program. The talk detailed about

- ✓ Assess the scene for danger
- ✓ Assess a casualty's level of consciousness
- ✓ Demonstrate how to open a casualty's airway and check for breathing
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was been very helpful as part of their Hospital postings. The **management and principal of St. Paul's college of pharmacy** expressed the gratitude to **Dr. Avinash** and students for making the program successful

## REPORT

**Name of the Program: Fire Safety Training**

**Duration of Training: 9<sup>th</sup> Oct 2020**

**Resource Person Details: Mr. Seenuaiah**

**SI Fire Station**

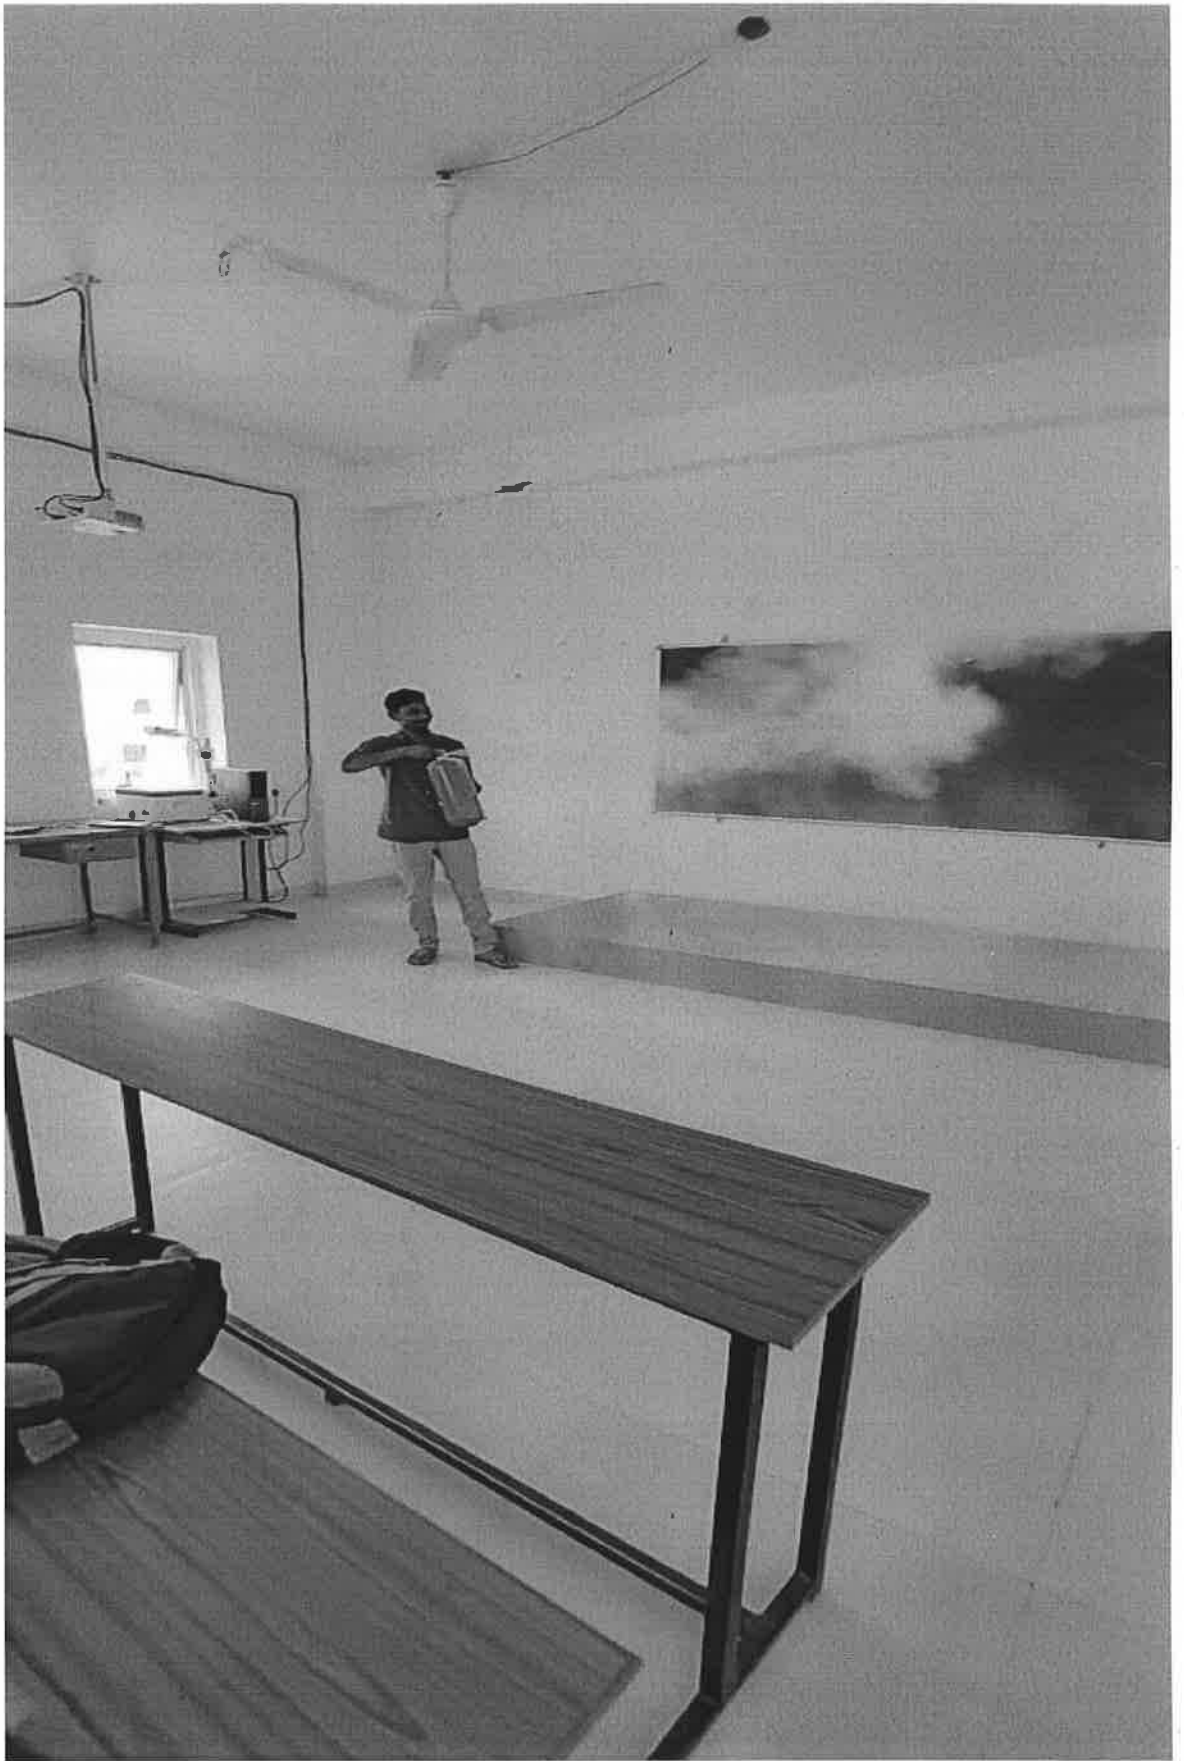

**Hiyath Nagar division**

St. Paul's college of pharmacy organized "A training program on "Fire Safety Training" for **B. Pharmacy Ist year and Pharm-D I<sup>st</sup> and II<sup>nd</sup> year students** by Mr. Seenuaiah on 9<sup>th</sup> Oct 2020. The main objective of conducting Fire Safety Training is to Understanding fire risk and fire risk controls:

- ✓ How fires are caused and provide examples of components of the fire triangle that may be found in the workplace.
- ✓ Identify the hazards during or after a fire.
- ✓ Describe the characteristics of fire and smoke spread.
- ✓ State the different methods used to identify and control fire hazards.
- ✓ Define the term "means of escape."
- ✓ Describe methods of fire detection and raising the alarm.
- ✓ Describe how fire is extinguished and the safe operating parameters for the use of portable fire-fighting equipment.
- ✓ Identify the different types of portable firefighting extinguishers.

About **130 students** from both the years have attended this informative program. Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that Fire safety Training was been very helpful and useful in da to day life. The **management and principal of St. Paul's college of pharmacy** expressed the gratitude to **Mr. Seenuaiah** and students for making the program successful
