Awareness program on SAVE SOIL in collaboration with ISHA foundation

St Pauls College of Pharmacy has Organized Awareness program on SAVE SOIL in collaboration with ISHA foundation on 7th May 2022, as a part of NSS and Crisis management.

Guest lecture on LEADERSHIP AND HEALTH INFORMATICS

St Pauls College of Pharmacy has organized Guest lecture on LEADERSHIP AND HEALTH INFORMATICS in collaboration with AVENIDA on 25th April 2022, at 10.00 AM.

Staff members and Students of B Pharmacy and Pharm D have participated in the session. The event was conducted by Dr. ASHWANI DHAR, President and co-founder of AVENIDA and Dr. KARTHIK RAKAM, CEO, AVENIDA.

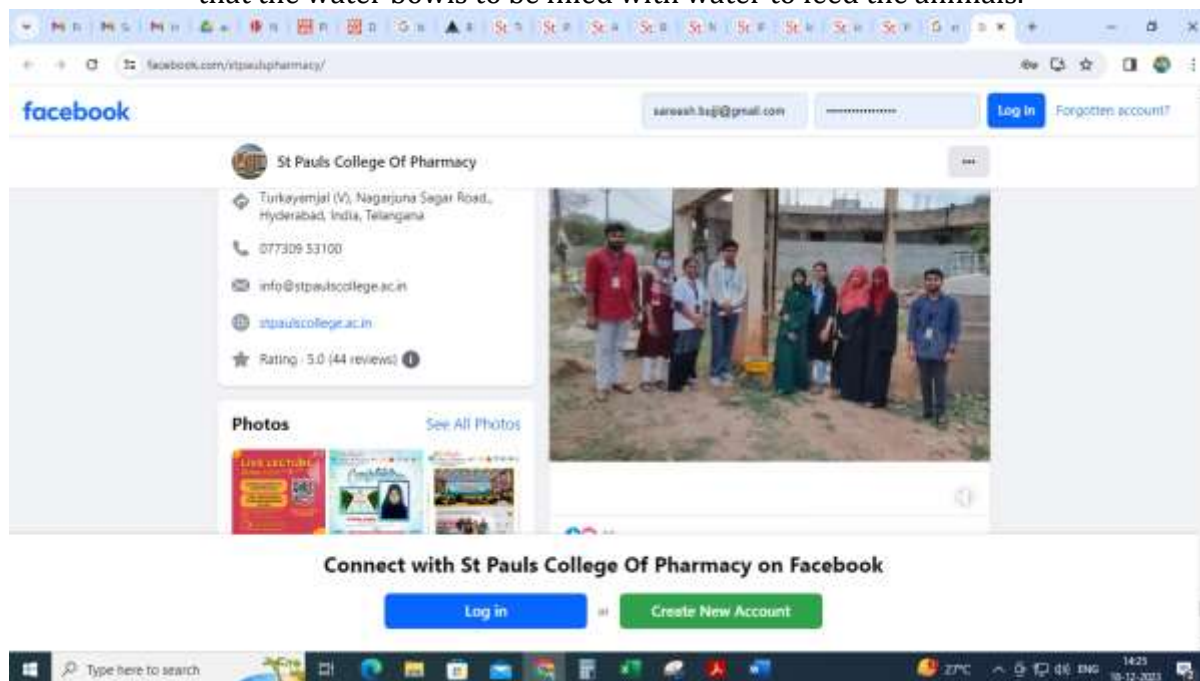

Water for voiceless

We St.Pauls College of Pharmacy in association with NSS Club St.Pauls, IPASF St. Paul's Chapter, All for Animals foundation and Pharma Socio Hands Together conducted a programme Entitled The 'Water for voiceless' initiative, by keeping Water Bowls to do their bit to feed the voiceless animals, which is being organised all over the turkayamjal village .

Water for voiceless' to ensure no animal goes thirsty this summer.

The searing heat has been taking its toll on people, plants, as well as animals and birds. NSS volunteers have taken pledge to ensure that the water bowls to be filled with water to feed the animals.

Road Safety Awareness Programme

Road accidents are now a day's became one of prominent issue in society as mortality is increasing by these road accidents, students are the future generations to create society with road safety.

NSS – CELL and IPA-SF of St. Pauls College of Pharmacy has organized Road Safety Awareness Programme in collaboration with Mr.R.S. Joseph Inspector of Police, TTI, Rachakonda and team behalf of Traffic training Institute, Rachakonda Commissionerate on 18-06-2022.

International Yoga Day

Yoga is the journey that takes you through yourself, to your true self, to your soul. Warm wishes on International Yoga Day. On the occasion of International Yoga Day celebrations St. Paul's is organising a yoga session by Isha foundation on 21st June 2022. College life is an important stepstone in the life of any student. The excitement to delve into the newer realms, the expectancy of what lies ahead, and the eagerness to make the most out of college life are rampant in every college student's mind.

Finding its roots in Ancient India, Yoga literally translates to 'Union'. Now that we know the expansive range of benefits that practicing Yoga routinely has, one can easily start with the basics.

Session was guided and collated by ISHA FOUNDATION with St Pauls College of Pharmacy on 21st June 2022, would prove beneficial for people to understand and practice the basics of Yoga and adopting it in their routine.

World Pharmacist Day

The staff and students of St.Pauls College of Pharmacy in association with NSS and IPA-SF have organized World Pharmacist Day in Turkayamjal, Municipality in Abdullapurmet Mandal on the occasion of World Pharmacist Day, 25th september, 2022. Counseling was provided to the public regarding infectious diseases, hypertension, blood sugar, and other common illnesses. This event focused on the pharmacist's role in raising public awareness of health issues.

Further a large-scale, World Pharmacist Day was held next to the Turkayamjal Municipality office. Numerous health examinations like hypertension, blood glucose levels, and other health issues were conducted and educated patients about health precautions.

There have been about 200 participants from the area of Abdullapurmet Mandal have participated in the Health Camp

Boot Camp on “Advances in Healthcare”

Avineda has organized a Boot Camp on “Advances in Healthcare” in association with First Care Clinic at St. Pauls College of Pharmacy. The session was graced by [#Dr AshwaniDhar](#) MD DMI, President and Co-founder of Avineda, [#Dr KarthikRakam](#) CEO and Co-founder Avineda, [#Dr Sharath](#) Founder and CEO First care clinic, [#Dr MaheshChandra](#) Director and Co-founder First care clinic on 10th December 2022, at 9am to 4pm.

The session includes the talk of opening a clinic by Pharm D graduates and their involvement in the treatment of the patients. The role of a Pharm D graduate in advanced health care is explained.

[#SessionHighlights](#)

A Pharm D graduate is more necessary than an insurance.
First care clinic to be opened by a Pharm D graduate along with a doctor.
Journey of a medicine.
Medication reconciliation.

National Youth day

Arise, Awake and stop not until the goal is reached.....

To commemorate such great & youthful thoughts of Swami Vivekananda, St. Pauls College of Pharmacy had an energetic **Youth Day Celebration** on 12th January, 2023 in honours to the birth anniversary of Swami Vivekananda. The celebration was well organised by the IPASF student chapter in association with NSS - St.Pauls. The theme Viksit Yuva Viksit Bharath aims high at overall development of youth and the country.

The program started with great narration about Swami Vivekananda and his contributions towards the society. His thoughts for the youth to be the future of the country was shared with students. To inculcate the knowledge about Swami Vivekananda, the college conducted quiz, debate, art competition to let the students showcase their zeal. The faculty and students paid respects to the great man who made illustrious achievements on international stages with his well known lectures. The day was concluded with the principal Dr. Kiranmai Mandava Speech where applause and best wishes were conveyed to all the students and staff.

The winners were awarded with prizes for the competitions held.

74th Republic day on 26th Jan 2023 with the theme : Jan Bhagidari

St. Pauls College of Pharmacy celebrated 74th Republic day on 26th Jan 2023 with the theme : Jan Bhagidari to inculcate the spirit of patriotism among the students. St. Pauls IPASF students and NSS unit organised the event with great zeal. Management, staff and students celebrated the day with great gratification and joy. The National Flag is hoisted by the Principal and the event was continued with various cultural events like Thiranga floor art, elocution and Mono act by students. The staff has shared wonderful words with the students. As a token of appreciation certificates to the runners and awardees of the event were given by the principal. A special thanks goes to the faculty coordinator: Dr. Somnath De, all student coordinators.

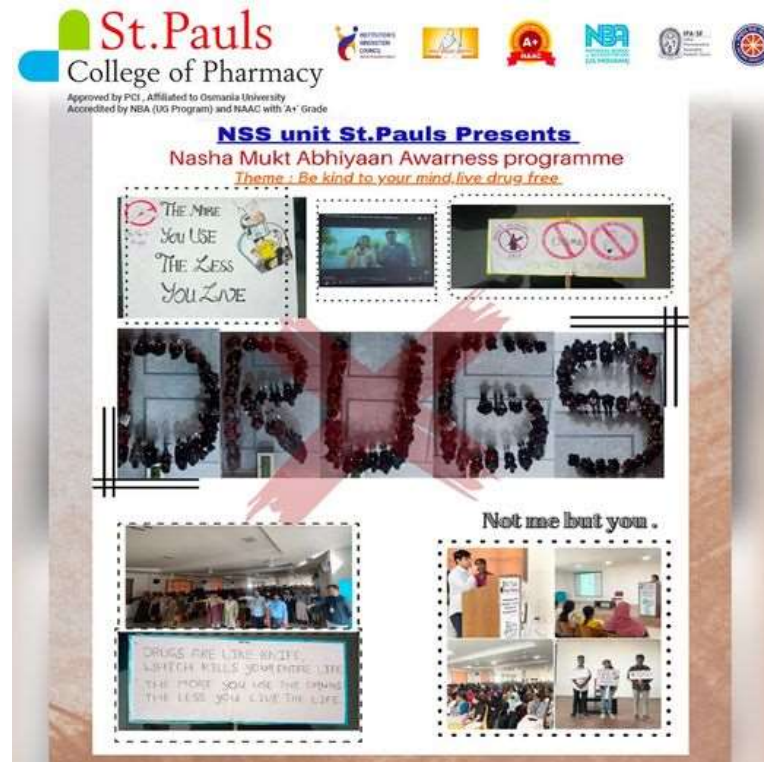

Nasha Mukta Abhiyan

Humans are after so many things which are actually nothing just temptations. For humans, health should be their greatest wealth. Just imagine you are having all the money in the world, but you have no health to enjoy that money. Would that money be of any use to you? Absolutely No Addiction to drugs is one major issue Indian youth are facing right now.

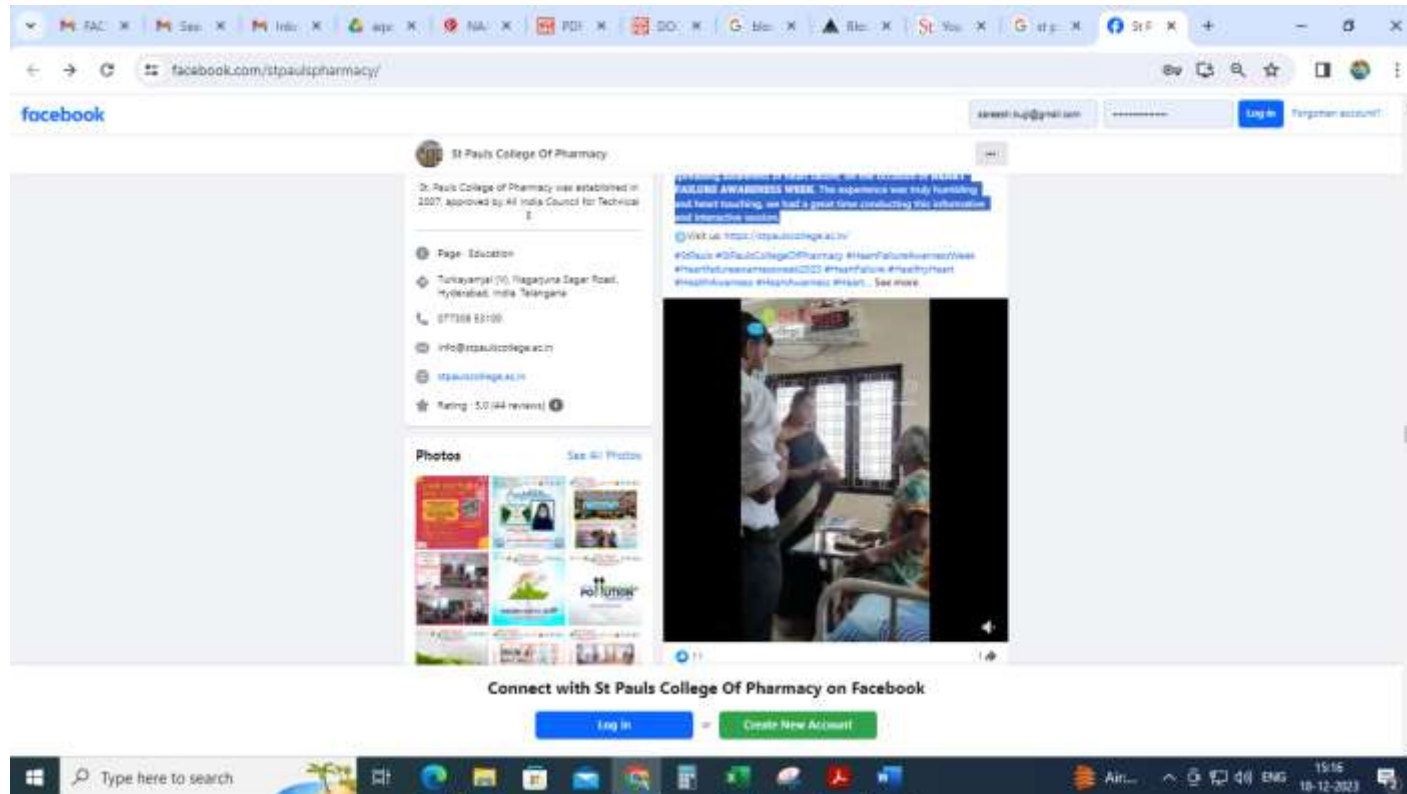

Students of all ages are getting distracted by the life-threatening drugs and rotting the youth of India. This is why **Nasha Mukta Abhiyan** is one of the biggest campaign India is conducting to make the country drug free.

We the **NSS UNIT St Pauls Team** has conducted an awareness programme against drug free. Under the guidance of our mentor Dr.Somnath De, hoping for a change.

HEART FAILURE AWARENESS WEEK

Our IPASF St Pauls chapter Team had a visit to an Old Age Home for spreading awareness of heart failure, on the occasion of **HEARTFAILUREAWARENESSWEEK**. The experience was truly humbling and heart touching, we had a great time conducting this informative and interactive session.

"Global science for global well being"

We NSS Unit St. Pauls and IIC cell have collaboratively celebrated National science day with theme "Global science for global well being". National Science Day is celebrated in India on 28th February every year to commemorate the discovery Raman Effect by Sir C.V. Raman, a renowned Indian physicist. The day is an opportunity to celebrate the contributions of Indian scientists to the field of science and technology and to promote scientific temper in society.

The day's theme is usually centered around science and technology, and its impact on society and the future. In 2023, the theme for National Science Day is "Global Science for Global Wellbeing."

Students of St. Pauls have participated actively in various Scientific model presentation competition and came up with new ideas and innovations. winners are Awarded certificates and cash prizes.

Visit to AIC CCMB incubation center

Greetings from St. Pauls IIC cell

St. Pauls IIC calendar activity -Visit to AIC CCMB incubation center was organised on 13-03-2023

The session enlightened the students and faculty on the schemes for startup, need of innovative mindset and tech transfer process. Further the incubation facilities were visited and noted on the equipments work space. Entrepreneurship opportunities were elaborated for the students perusal. The session enriched students about the entrepreneurship, startup and innovative necessity to pace with Atma Nirbhar Bharat

The doctors of the future will no longer treat the human frame with drugs, but rather will cure and prevent disease with nutrition."

Nutrition is about survival, health, and development for present and future generations.

As said by Thomas Edison "The doctors of the future will no longer treat the human frame with drugs, but rather will cure and prevent disease with nutrition."

On the occasion of National Nutrition Week (1st to 7th of May) Let us draw attention of the youth and those busy with their hectic lifestyles towards eating right and staying fit, to lead a more satisfying life with increased productivity.

On this special event we the NSS Unit St. Pauls conducted a competition for all students and faculty with theme "Food without flame which should be nutritious " many students and faculty have participated actively in the competition.

Sincere thanks to [#Dr. M. Kiranmai](#), Principal, St. Pauls college of Pharmacy and [#Dr. somnathDe](#), program officer, NSS Unit-St Pauls

All the NSS volunteers who rendered their support to make it successful!!

Let us bring the awareness of nutritious food intake to live healthy and happy.

World Environment Day 2023

[#WorldEnvironmentDay](#) (WED) is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. World Environment Day is a global platform for public outreach, with participation from over 143 countries annually. The theme for **World Environment Day** 🌿🌳🌍 on 5 June 2023 will focus on solutions to plastic pollution under the campaign [#BeatPlasticPollution](#).

[#WorldEnvironmentDay2023](#) is hosted by Côte d'Ivoire in partnership with the Netherlands. We NSS unit St Pauls had given awareness to the students about the use of plastic and made St Pauls premises plastic free zone

Being traditional is being yourself.

To inculcate such beauty of being traditional, St. Pauls has designated a day on 22nd June 2023, to allow the students and the entire campus to showcase the beauty of being traditional. All the students have lightened up the campus with colourful and traditional attire which shows that we are never beyond our culture. The highlight of the day was faculty playing the roles of retro themes with beautiful dress up. The celebration started with student's ramp walk in the first place and faculty showcasing their hidden talents with punch dialogues of their attire. The celebration ended with the prize distribution of sports and ramp walk. Traditional walk teaching staff winner Mrs. Shital Shiragadage, runner Mrs. Sneha Thakur, non-teaching staff winner Mrs. Rajni, runner Mr. Brahma Chary, students winner are Pharm D 2nd year Ziya Salomi and Sripada Sharma and runners are 3rd year Pharmacy Rahul and Haveela.

The day was completely occupied with a lot of fun, joyousness and basket full of selfies. Having such days in the campus helps students build a healthy relationship with each other.

Village & household survey in order to understand the problems at village level

St. Pauls College of Pharmacy was highly appreciated by esteemed national news paper ENADU for its tremendous work with UBA (**Unnat Bharat Abhiyan**) a flagship program of Ministry of Education (MoE), GOI - Successful completion of SEG project. The article states that **ST. PAULS COLLEGE OF PHARMACY**, a premier pharmacy has received recognition as UBA Participating Institute(PI) under MoE GOI from Telangana region in 2020. Since then the Institute has undertaken adoption of five villages i.e., Manchal, Tippaiguda, Lingampalle, Dadpally, and Chittapur under Manchal Mandal, Lingampalle taluk. As a part of UBA program, the institute has taken stewardship to undertake village & household survey in order to understand the problems at village level in 2021 for six months.

The short comings were noted and SEG project was applied in 2022. Dr. M. Kiranmai, UBA coordinator of the institution has received a seed fund for the SEG project titled as Pilot scale up for cultivation of Black rice and millets. The project was accomplished successfully in Manchal village under the project investigator Dr. M. Kiranmai with the support of Govt. Panchayat Secretaries, Health care workers and Village people.

WEBINAR ON CONJUNCTIVITIS

As the conjunctivitis cases are alarmingly rising across the country, we **WEBINAR ON CONJUNCTIVITIS**, arranged an Informative Webinar on 5th August 2023 at 2.00pm in seminar hall. Students and faculty participated in the session to learn about the causes, effects and remedies of conjunctivitis.

A Heartful Thanks to **Dr. Akhilesh Maurya**, MD. General Medicine Meenakshi Global Hospital, who addressed the current situation of the outbreak of conjunctivitis cases in India, shared general hygiene measures, preventive tips, and awareness on this topic.

•Protect yourself and other from pink eye, together let's combat this eye infection!

Thanks to all IPASF Students Coordinators

Special thanks to faculty coordinator & IPASF mentor Mrs. P. Naga Haritha and Ms. Nikitha Gupta

IPASF chairperson St. Pauls chapter – Mallikarjun Pharm D 3rd Year.

Finally heartfelt thanks to our Principal Dr.M.Kiranmai and Chairman Shri K .Sudhir Garu for continuous support

AWARENESS ON CONJUNCTIVITIS(PINK EYE)

Amid the increase in conjunctivitis cases in the state, we **IPASF ST PAULS CHAPTER**, have visited **Zilla Parishad High school, Turkayamjal** to spread awareness on its **Causes, Symptoms, Prevention, and Treatment**, on 5th August 2023.

Conjunctivitis is characterised by the inflammation of the conjunctiva, the thin, protective membrane covering the white part of the eyeball. It can be triggered by viral or bacterial infections, and in some cases, it may also be caused by allergies. The infection spreads through direct contact with infected respiratory droplets, contaminated surfaces, or eye secretions of affected individuals.

The heavy rainfall and increased atmospheric moisture have further exacerbated the incidence of conjunctivitis and eye flu.

- Protect yourself and others from pink eye
- Wash your hands often with soap and water, and help young children do the same.
- Avoid touching or rubbing your eyes.
- Avoid sharing personal items, such as makeup, eye drops, towels.
- Do not use the same eye products for your infected and non-infected eyes.
- Stop wearing contact lenses until your eye doctor says it's okay.

Together, we can combat this eye infection and strive for a healthier, safer community❤️

Thanks to all IPASF Students Coordinators

Special thanks to faculty coordinator & IPASF mentor Mrs. P. Naga Haritha and Ms. Nikitha Gupta

IPASF chairperson St. Pauls chapter – Mallikarjun Pharm D 3rd Year.

IIC MENTORING PROGRAM FOR ADOPTED ATAL TINKERING LAB(ATL) SCHOOLS

St. Pauls IIC cell has conducted online mentoring session program on educating students with NEP policy and how to convert Idea to innovation. The session was headed by IIC president and IIC convener Dr. Sneha Thakur who have mentored the session to three adopted mentee schools in Hyderabad i.e., Bhartiya Vidya Bhavan, Oasis school of excellence and NATCO school situated in and around Hyderabad. Key note welcome address by the IIC president have made the students motivated towards the session. The session demonstrated the change in pace of education policy, adoption of NEP 2020 and demonstrated the role of NP 2020 towards students understanding with the help of video. Further the session enriched about critical thinking and creative thinking skills. Youngest entrepreneurs and patent holders were informed by pictorial representation which created enthusiasm in the students. further the need of idea clubs in the HEI in collaboration with the mentor guidance was proposed and highlighted about the upcoming event on Idea hackathon 3.0.

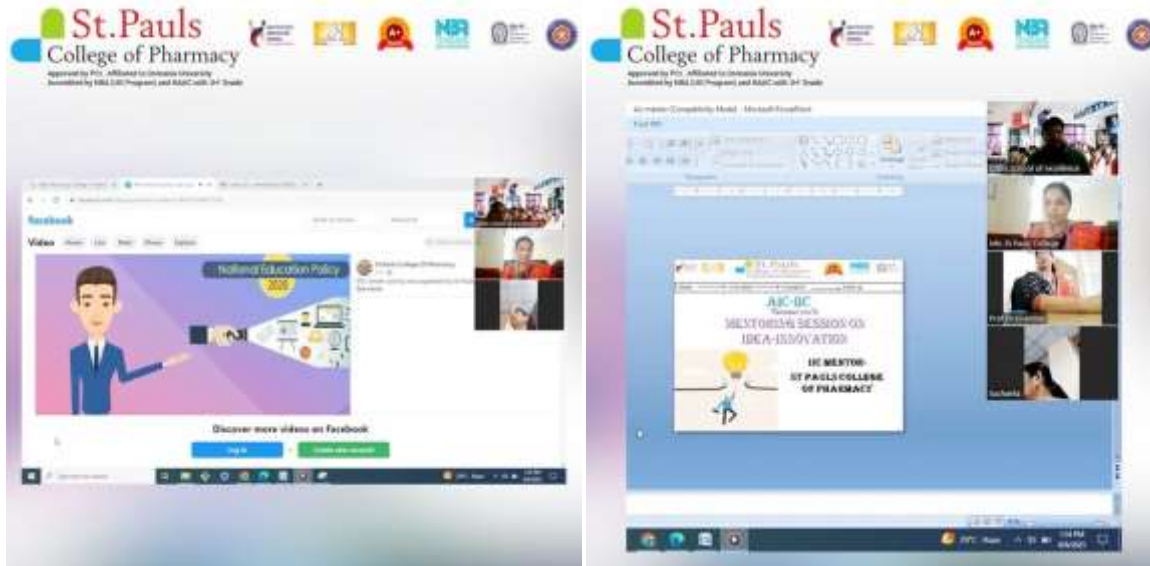

Special thanks to IIC President Dr. Kiranmai Mandava and IIC incharge Dr. Sneha Thakur for smooth conduct of creating awareness amongst the students.

WORLD BREAST FEEDING WEEK (1st AUG-7th AUG) ✨

THE THEME for World Breastfeeding Week 2023 "Let's make more awareness on breastfeeding to make the future of the kids" 🧑🏻‍🍼

World Breastfeeding Week is a campaign to raise awareness on the importance and benefits of breastfeeding for babies. 🧑🏻‍🍼

On this note, this year, IPASF St Pauls student chapter Along with Councillor Anuradha Darshan and Dr. S. Sirisha, engaged with individuals in Anganwadi centre, Turkayamjal village, to raise awareness about the importance of breastfeeding and to empower and support mothers who breastfeed, working parent's perspectives on breastfeeding and parenting. We have also mentioned the benefits of breastfeeding. Key points Enhanced immune system, Shield against inflammatory bowel disease, Reduced obesity rates.

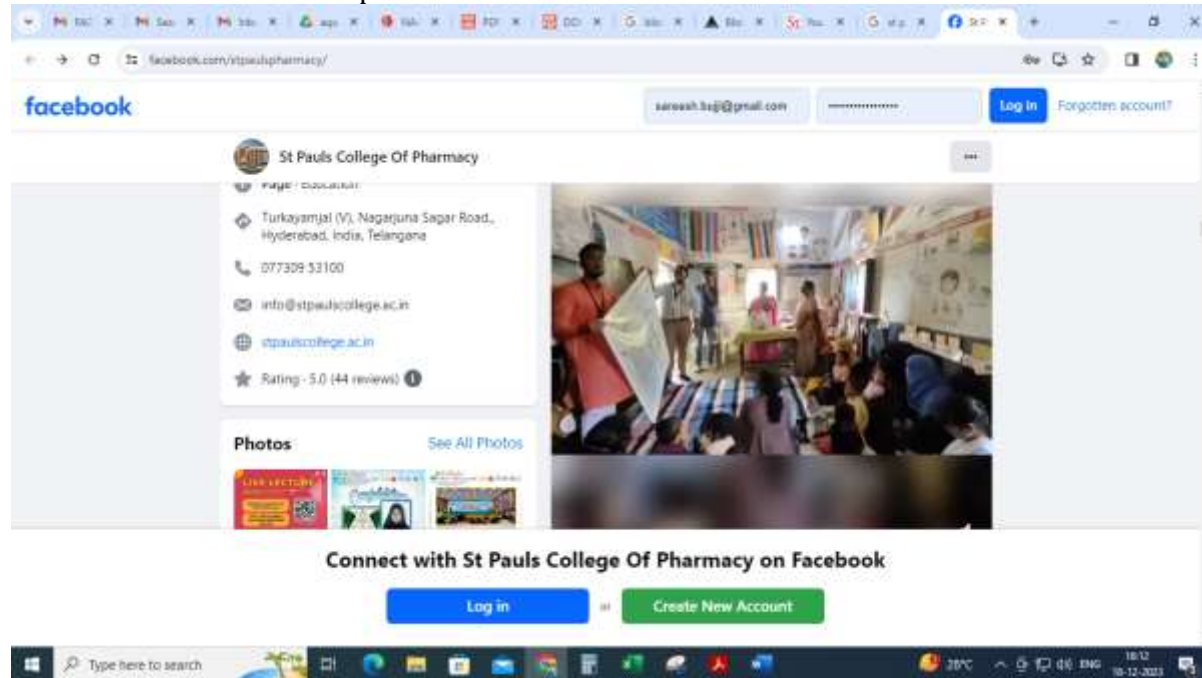

LET'S MAKE BREASTFEEDING AND WORK, WORK! 🧑🏻‍🍼

Thanks to all IPASF Students Coordinators

Special thanks to faculty coordinator & IPASF mentor Mrs. P. Naga Haritha

IPASF chairperson St. Pauls chapter – Mallikarjun Pharm D 3rd Year.

Finally heartfelt thanks to our Principal Dr. M. Kiranmai and Chairman Shri K. Sudhir Garu for continuous support

77th Independence Day on 15th August 2023, with the theme: "Nation First, Always First"

NSS St Pauls Unit proudly and patriotically commemorated the Nation's 77th Independence Day on 15th August 2023, with the theme: "Nation First, Always First".

On 14th August NSS St Pauls Team Conducted different competitions like for faculty to enforce winning spirit in them.

■ Kabaddi for Male Faculty ■ Relay Race for Female Faculty

■ Quiz Competition for all the faculty members which boosted up energy of all the staff members.

On 15th August NSS St Pauls unit organized the day beginning with the flag hoisting by Principal Dr. M Kiranmai followed by events like ■ Photograph theme: Poverty Status in India ■ Puzzle Hunt game for all the Staff.

On this special Occasion there was an Introduction of New Council of Team NSS St Pauls Unit 2023-24, continued with the Patriotic song by the team. The song Vande Mataram, was a source of inspiration to the people in their struggle for freedom.

Wishing you all a Happy 77th Independence Day.

A special thanks to Our Principal Dr.M Kiranmai NSS Programme Officer: Dr Somnath De Programme Coordinator: Dr. Are Anusha. NSS Student Coordinator: MA Sai Samyuktha B Pharm NSS General Secretary: B Mallikarjun Pharm D Team NSS St Pauls Unit.

NATIONAL WEBINAR ON LUNG CANCER AWARENESS

Increasing lung cancer awareness is likely to reduce the diagnosis and treatment delays, that is why IPA-SF St Pauls Chapter in association with Dr. A & N Lung and Skin Speciality Clinic took an initiative to organise a webinar. 🎧

- Lung cancer is often diagnosed in the late stages of the disease, largely because there are few or no symptoms in the early stages. Having an awareness of the risks and reducing them, plus early detection, can change a person's outcome.

We sincerely Thank our speaker,

DR. ANIRUDH KUMAR, Pulmonologist MBBS, MD- Tuberculosis & Respiratory Diseases/ Medicine, to promote the lung cancer awareness and continue to encourage and educate students to understand the importance of lung cancer signs and symptoms, and ways to promote research into its cause, prevention, diagnosis, treatment, survivorship and cure. ✨

We Thank, our Principal Dr. M. Kiranmai, Dr. Somnath De, HOD-department of Pharmacology, Dr. Anusha Are HOD of Pharmacy practice, IPASF mentors Mrs. P. Naga Haritha and Dr. Nikita Gupta for making this webinar successful by spreading awareness through this webinar with over 145 participants from 7 different states and 10 different colleges. 🙌🙌🙌 Thank you for guiding the webinar and highlighting the importance of lung cancer awareness 🙏

● "Lung cancer cannot cripple love, it cannot shatter hope, and it cannot conquer the spirit" ●

National Nutrition Week celebration

National Nutrition Week is an annual nutrition event celebrated in the month of September from 1st -7th.

This year's Theme: " Healthy diet- affordable for all" emphasizes on the importance of access to healthy diet for everyone, regardless of income and social status.

We IPA-SF St Pauls Chapter visited the Area Government Hospital, Vanasthalipuram to promote awareness about healthy eating and proper nutrition for maintaining a healthy lifestyle.

And on the eve of Nutritional Drive distributed Ragi drink to the people in and around the hospital and explained them about its importance. We also gave awareness about nutrients which are available in low cost and nutrient rich like ragi, buttermilk, jaggery, sesame seeds, etc.

A special thanks to: Our Principal: Dr. Kiranmai Mandava Faculty Coordinator: Mrs. Neeraja Mentors Dr. Somnath De Mrs P. Naga Haritha Dr. Nikitha Guptha for supporting and guiding us in making the drive a grand success.

World Pharmacist Day- 2023

EXPOSURE AND FIELD VISIT FOR PROBLEM IDENTIFICATION

For Exposure and Field Visit for Problem Identification, St Pauls College of Pharmacy UBA cell has conducted field visit to Limgampalle for the students to have an analytical exposure on problem solving. Students and faculty have participated in the program. The session identified the village level problems pertaining to upgradation of village, village development funds, transportation, facilities etc. Approximately 50 houses were explored to study various levels of problems at village level. Program highlighted on facilities and development plans at state and central level that can help the public in agriculture and rural development, short comings were noted. Impact analysis, awareness sessions and upgradation program on upliftment of the rural villages were to be planned. Thankfulness to the UBA coordinator for stewardship and motivation towards village upliftment.

Special Thanks to

Management and UBA Coordinator Dr. Kiranmai Mandava, Principal & Professor, St. Pauls College of Pharmacy.

NATIONAL PHARMACOVIGILANCE WEEK 2023

St. Pauls College of Pharmacy-AMC Centre, Department of Pharmacy Practice has organized 3rd National Pharmacovigilance week 2023, with the theme Boosting public confidence in Pharmacovigilance in association with Indian Pharmacopeia commission and National Co-ordination Centre.

On 19th September, an awareness Programme was conducted in Lingampalle village regarding the ADRs and its reporting through distributing Pamphlets and explaining them. And also Communicated with the local people over there and collected the information regarding the medications used by them and adverse reactions seen on administering the medication.

On 20th September, Inter Collegiate Quiz competition was conducted on Adverse drug reaction monitoring and Pharmacovigilance. Several institutions across the state have participated in the team of 4. We acknowledge all the institutions for their active participation and contribution for making the event successful. Heartfelt congratulations to Holy Mary Institute of science, college of Pharmacy, for winning First Prize in the Inter Collegiate quiz completion and also runners of the competition from Malla Reddy Institute of Pharmaceutical Sciences.

On 21st September, an AMC Awareness Campaign in KIMS hospitals, secunderabad and Kondapur branches by distributing leaflets and giving awareness regarding the reporting of ADRs by the healthcare workers and patients.

On 22nd September, a webinar was organized with the Topic Vigiflow by Dr. VHNS Gayathri, Pharmacovigilance Associate from ESIC Medical College, Hyderabad. An overwhelming response of the participants from St Pauls and other organizations as well was seen during this webinar. Thirty participants have attended the webinar.

On day 5, Valedictory and prize/certificate distributions were given for all the participants and winners of the Programme.

National Wear Red Day

GO RED!  *National Wear Red Day* For Women's Heart Health.

IPASF St. Pauls student chapter dressed up in Red for [#wearRedDay](#) In observation of National Heart Health Month - An effort to help raise awareness around cardiovascular disease and prevention 

National Wear Red Day becomes an opportunity to educate women and spread awareness by wearing red to support the cause. Many studies reveal that 3 in 5 women in India are at high risk of cardiovascular disease as early as 35 years of age. With data showing such alarming results, it is important to take the necessary preventive measure and raise awareness.

Follow the listed measures to prevent heart diseases:

- Get your cholesterol and blood pressure checked frequently
- Manage your stress
- Get regular health screenings
- Stop smoking
- Exercise to prevent heart disease
- Balance your diet

**NATIONAL
WEAR RED DAY
2023**

*-Go Red for Women's Heart
Health*

*An effort to show our support against killer in women i.e
Heart Disease and our care towards little Hearts....*
