

### IQAC initiatives/ IQAC Annual Report 2022-23

St. Pauls College of Pharmacy has strategic teaching learning process and has systematic methodology for progressing the activities. In an Academic calendar year, The IQAC meets twice to review the Teaching and Learning Process. Institutional IQAC is responsible for developing, coordinating and monitoring academic activities and their assessment to the effect of improvement in faculty teaching and student learning.

The IQAC guides accordingly to initiate the professional activities by involving various departments and carries out internal audit for every department in each academic year. Institutional Academic Plan is confirmed well in advance before the semester commencement for all the courses. Institute has an effective internal communication system through physical circulars as well as through social media groups
