

## Guest lectures/Seminars 2023-24

S. No.	Name	Type	Collaboration	Date
1	Interactive Session on Innovative Ideas-MSME Idea Hackathon 4.0	seminars/guest lectures	IQAC &IIC	25-Sep-24
2	Impact Lecture- "Role of Entrepreneurs: Empowering Individuals and Fueling Success"	seminars/guest lectures	IQAC &IIC	September 12th, 2024
3	Guest lecture- Funding Opportunities and Investment Tips for early entrepreneurs	seminars/guest lectures	IQAC &IIC	Aug-24
4	Impact Lecture- Intellectual Property and Filing	seminars/guest lectures		August 30th, 2024
5	Expert session -AI driven advances in metabolomics - unlocking secrets of disease diagnosis	seminars/guest lectures	IQAC &IIC	August 26th, 2024
6	Intellectual Property is the oil of the 21st century	seminars/guest lectures	IQAC &IIC	August 23rd, 2024
7	Impact Lecture-Acceleration /Incubation Opportunities for Early Stage Entrepreneurs	seminars/guest lectures	IQAC &IIC	August 28th, 2024
8	Impact Lecture- Entrepreneurial activities to start and run the business operations	seminars/guest lectures	IQAC &IIC	August 22nd 2024
9	Expert session -Lean Start-Up and Minimum Viable Product	seminars/guest lectures	IQAC &IIC	August 24th, 2024
10	Expert session- Career advice on Global Exposure for Pharmacy Students	seminars/guest lectures	IQAC &IIC	August 21, 2024
11	Impactful event on drug abuse prevention and anti-ragging	seminars/guest lectures	JNAFAU	August 20th, 2024
12	Session on problem statement and identification of problem basket -innovative mind set	seminars/guest lectures	IQAC &IIC	20th August 2024
13	Impact Lecture-Problem Identification to develop innovative Prototypes”.	seminars/guest lectures	IQAC &IIC	03-Aug-24
14	A session on Presentation skills	seminars/guest lectures	Telangana Academy of Skill and Knowledge (TASK)	3rd August 2024
15	Session for Stress Management under idea club	seminars/guest lectures	IQAC &IIC	9th July 2023
16	Seminar to create awareness on Drug abuse and illicit trafficking which pose significant global challenges, threatening health, security, and economic stability.	seminars/guest lectures	IQAC &IIC	26.06.2024
17	Sessions: Self-driven activities as part of Quarter III activity @ MoE innovation cell.	seminars/guest lectures	MoE innovation cell, IIC	5th-8th May 2024
18	Session on “How to plan for Start-up and legal & Ethical Step”	seminars/guest lectures	MoE innovation cell, IIC	30th May 2024

19	Session on Sickle Cell Awareness Day program	seminars/guest lectures	IQAC & IIC	19th June 2024
20	The Virtual Alumni Meet, Reconvene 2024	seminars/guest lectures	IQAC & IIC	June 1, 2024
21	Session on "Regulatory Affairs - An Industry Perception."	seminars/guest lectures	IQAC & IIC	May 4th, 2024
22	Orientation Day for fourth-year Pharm-D students at KIMS-Sunshine Hospital	seminars/guest lectures	KIMS-Sunshine Hospital	23.04.2024
23	Webinar on "Steps in patent filing and importance of PCT"-World IP day	seminars/guest lectures	IQAC & IIC	26.04.2024
24	Session on "Successful Entrepreneur Journey"	seminars/guest lectures	Mahathi Enterprises	28th March, 2024
25	Session on topic "Entrepreneurship opportunities for Youth: Procedure & Way forward to start a Startup company"	seminars/guest lectures	Academy of Startups	28th March, 2024
26	Session on Innovation and Entrepreneurship & MSME Schemes".	seminars/guest lectures	MSME-DFO	28th March, 2024
27	A session on "A talk on journey as full bright scholar"	seminars/guest lectures	IQAC & IIC	February 08, 2024
28	A Knowledge Sharing and Awareness Session -Machine Learning and Artificial Intelligence: Foundations for Non-Technical Professionals.	seminars/guest lectures	NSIC -TSC (National Small Industries Corporation - Technical Services Centre, Okhla, Delhi).	February 02, 2024
29	Motivational session on self-analysis and moderation for students	seminars/guest lectures	IQAC & IIC	19th January 2024
30	A seminar on India's Amrit Kal and things to be developed to make India as a Vikshit Bharath	seminars/guest lectures	IQAC & IIC	11-Dec-23

## Interactive Session on Innovative Ideas - MSME Idea Hackathon 4.0.

HI-BI cell of St. Pauls has organized an “Interactive session” for all the faculty and students with innovative ideas. **Shri. K. C. Choudhury**, IEDS (Retd.), Ex-Assistant Director, MSME-DFO, Hyderabad under M/o MSME, has addressed the audience and given valuable insights and sensitized the young innovative brains in campus. Sir explained the guidelines and benefits of **MSME Idea Hackathon 4.0** scheme. All the interested students and faculty mentors have shared their Innovative Ideas with Resource Person and got clarified with their doubts. The entire session has brought a shining motivation in all enthusiastic youngest innovative minds.

Thanks to all the faculty mentors and students for utilizing this session.

### Special Thanks to HI-BI Cell:

**Dr. M. Kiranmai**, Professor and Principal, HI-BI Chairperson

**Dr. Naga Raju Kandukoori**, Associate Professor, HI-BI Coordinator

IMPACT LECTURE

**“Role Of Entrepreneurs: Empowering Individuals and Fueling Success”**

The IIC cell of St. Pauls College of Pharmacy hosted an insightful talk on "Role of Entrepreneurs: Empowering Individuals and Fueling Success" on September 12th, 2024, as part of the fourth-quarter events. The session was presided over by Prof. K. Venu Madhav, Head of the Department of Pharmaceutics. The event shed light on the multifaceted contributions of entrepreneurs, emphasizing how they drive innovation, create job opportunities, and foster independence.

**Key Points:**

- Empowerment through Innovation and Problem-Solving
- Creating Employment Opportunities
- Fostering a Culture of Empowerment and Independence
- Economic Growth and Community Development
- Inspiring Innovation and Collaboration
- Risk-Taking and Economic Resilience
- Championing Social Change and Sustainability

The session highlighted the indispensable role of entrepreneurs in shaping both individual careers and broader societal progress.

**Special acknowledgments go to:**

- ➡ IIC President: Dr. Kiranmai Mandava
- ➡ IIC Incharge: Dr. Sneha Thakur
- ➡ IIC Member: Ms. K. Rajini
- ➡ All student coordinator

## Role of Entrepreneur : Empowering Individuals and Fueling Success

## ***Guest Lecture on Funding Opportunities and Investment Tips for Early Entrepreneurs.***

The Institution's Innovation Council (IIC) at St. Paul's College, in collaboration with its mentor institute, CMR Institute of Engineering and Technology, successfully organized a guest lecture on funding opportunities and investment tips for early-stage entrepreneurs. The event took place on August 2024, featuring two distinguished speakers: Mr. Ravi Teja Gupta, the founder of Guptaji Invests Groups, and Mr. Amarnath J, the CEO of Quanint TechSoft (QTS).

Mr. Gupta's session, Mr. Amarnath J discuss the strategic aspects of investment, including risk management, financial planning, and the importance of aligning investments with long-term business goals. He also shared his personal experiences as a successful entrepreneur, offering valuable advice on how to sustain growth and innovation in a competitive market.

The lecture was highly informative and interactive, providing students and aspiring entrepreneurs with a comprehensive understanding of the critical aspects of funding and investment.

### ***Special thanks to***

## Mahindra Pride Classroom Training on Employability skills

Mahindra Pride Classroom Training on Employability skills was conducted for B. Pharmacy final year and Pharm D 4th year girls by Mahindra Rise and Naandi Foundation in association with Telangana Academy for Skills and Knowledge (TASK) from 24/11/23 to 2/12/23.

The students have learned about many things from Mr Dasaratharam Reddy, facilitator, starting from preparing for an interview to getting their dream job. The students enjoyed attending all the sessions and interacted well with the facilitator. We thank Mahindra Rise, Naandi Foundation and TASK for providing us the opportunity. A total of 45 students have attended the session and conveyed their heartfelt gratitude to the Principal Prof Kiranmai Mandava and Chairman and Correspondent Sri K Sudhir garu for their continuous support in planning their career.

Congratulations to the career guidance team Dr Sunil Kumar Chaitanya, Dr Somnath De, Mrs P Naga Haritha for their continuous efforts in successful completion of the program.

We also thank all the teaching non-teaching and admin staff for their support.

*Kiranmai*

## IMPACT LECTURE

**“Entrepreneurship is not just about starting a business; it’s about creating value and driving innovation,”**

On August 28th, 2024, the IIC cell of St. Pauls organized a compelling lecture titled **"Acceleration / Incubation Opportunities for Early-Stage Entrepreneurs"** as part of its fourth-quarter IIC events. The session was led by Dr. Nagaraju Kandukoori, an Associate Professor in the Department of Pharmaceutics and the HI-BI coordinator at St. Pauls College of Pharmacy. Dr. Nagaraju shared valuable insights on accelerating innovative prototypes and the availability of incubation facilities.

### Key highlights included:

- ➔ Accelerating innovative prototypes
- ➔ Availability of incubation facilities
- ➔ Fostering entrepreneurial spirit
- ➔ MSME health sector achievements by the college
- ➔ Navigating funding opportunities in incubation

### Special acknowledgments go to:

- ➔ IIC President: Dr. Kiranmai Mandava
- ➔ IIC Incharge: Dr. Sneha Thakur
- ➔ IIC Member: Ms. K. Rajini
- ➔ All student coordinator

The poster features logos for the Institution's Innovation Council, St. Pauls College of Pharmacy, and HBI MSME. The main title is "Acceleration/Incubation Opportunities for Early Stage Entrepreneurs". The date is 28-08-2024, and the speaker is Dr. Naga Raju Kandukoori, Associate Professor & HI-BI Coordinator. The event is for Faculty & Students.

## Stress Management under idea club 9<sup>th</sup> July 2023

“The greatest weapon against stress is our ability to choose one thought over another.” - -  
William James

**ST. PAULS COLLEGE OF PHARMACY** has conducted innovative approaches for Stress Management under idea club for students which was a resounding success!

The session was conducted by IIC and participants gained invaluable insights into handling academic pressures along with the balancing of mental well-being.

Through engaging sessions, students learned practical strategies to manage stress effectively.

The event fostered a supportive community where students shared experiences and learned from each other's challenges.

From relaxation techniques to time management tips, the event equipped attendees with tools essential for navigating college life with resilience.

We would like to thank our Principal Dr. Kiranmai Mandava for giving us this opportunity

**Faculty coordinator**- Dr. Sneha Thakur

**Student coordinators** - B. Sathvika, G. Nissy and M. Satyavani for making the session so informative.

@MoE innovation cell

## DRUG ABUSE AWARENESS SESSIONS

Say No to drugs and say yes to healthy living

Drug abuse remains a critical issue affecting millions of people worldwide. To combat this pervasive problem, drug abuse awareness sessions are essential. These sessions aim to educate individuals and communities about the dangers of drug use, provide support to those struggling with addiction, and promote healthy, drug-free.

NSS unit and IPA-SF chapter of St. Pauls College of Pharmacy conducted a program on 26.06.2024, Students and faculty in seminar to create awareness on Drug abuse and illicit trafficking which pose significant global challenges, threatening health, security, and economic stability.

We would like to thank Principal Dr. Kiranmai Mandava, Our management for their continuous support.

## SELF DRIVEN ACTIVITIES- MENTOR MENTEE PROGRAM INITIATIVE

St. Pauls IIC Cell as a mentee institute in association with Mentor IIC institute CMR college of engineering and technology has conducted self-driven activities as part of Quarter III activity @ MoE innovation cell.

Session on: Empowering innovation launching startup journey on 5th May 2024

Session by: Bhargav Ram, Associate Professor, ECE dept, CMR college of Engineering

Session on: Design thinking for social innovation on 8th May 2024

Session by: Dr. G. Naveen Kumar, Assistant Professor, Mechanical engineering, CMRCET

Sessions highlights

Session 1: The session highlighted on the innovation and prototype done with design thinking skills and need of up gradation in skills to develop innovative prototypes.

Session 2: encouraged students and faculty to orient towards startup culture by understanding the social innovation as aspect and tool to design innovative prototypes.

We are thankful to IIC president Dr. Kiranmai Mandava, St Pauls College of Pharmacy for encouraging startup culture. Special thanks to IIC coordinator St Pauls Dr. Sneha Thakur and Dr. Prema Latha (IIC coordinator CMR college ) for coordination and successful conduct of the program.

The collage features two promotional posters for sessions organized by the Institution's Innovation Council (IIC) at CMR College of Engineering & Technology. The top poster is for a session on 'Empowering Innovation-Launching Your Start-up Journey' on 5th June 2024 at 10 AM, featuring Dr. B. Bhargav Ram as the resource person. The bottom poster is for a session on 'Design Thinking for Social Innovation' on 08-06-2024, featuring Dr. G. Naveen Kumar as the resource person. Both posters list the organizing departments (ECE and Mechanical Engineering), the date and time, the platform (Google Meet), and the names of the convener and co-convener. A QR code is provided for registration. Below the posters is a photograph of a large group of students and faculty members seated in a hall, attending the sessions.

## SESSION ON HOW TO PLAN FOR START-UP AND LEGAL & ETHICAL STEP

Mentor mentee program initiative

St. Pauls IIC Cell as a mentee institute in association with Mentor IIC institute CMR college of engineering and technology has conducted session on “How to plan for Start-up and legal & Ethical Step” as part of Quarter III activity on 30th May 2024 @ MoE innovation cell

Session 1: The session highlighted on the key aspects of strategy and approaches to ideation, critical thinking and need of startup orientation that can leverage the innovation. Session also discussed on the startup opportunities, funds and orientation of entrepreneurial skills.

Outcome: Knowledge of startup funding and opportunities, need of critical thinking skills, Upgrading knowledge on entrepreneurial skills

Session 2:

The session highlighted the need of entrepreneurship in the present generation. As India is growing innovation ecosystem the startup culture is still in progress and upgrading the design thinking skills to pursue innovation and entrepreneurship as career can give bright results.

Outcome: Knowledge of ideation, design thinking and prototyping, Entrepreneurial opportunities.

We are thankful to IIC president Dr. Kiranmai Mandava St Pauls College of Pharmacy for encouraging startup culture.

Special thanks to IIC coordinator St Pauls Dr. Sneha Thakur and Dr. Prema Latha (IIC coordinator CMR college) for coordination and successful conduct of the program.

The poster is for a one-day session organized by the Department of CSE(AI&ML) at CMR College of Engineering & Technology. The session is titled "How to plan for Start-up legal & Ethical Steps" and is part of an activity under the Institution's Innovation Council (IIC 6.0). It features two guest speakers: Mandi Kumar Sagar Charwala, Founder Director of Badagharwala Technologies Pvt Ltd, and Vikas Katragadda, Co-Founders CEO of 31 Consulting Group, Community Catalyst at Startups GoodClap, Sipway & Millet Servings. The session is scheduled for 30th May 2024 at 10 AM on Google Meet. The poster also lists mentee institutes (Sri Chaitanya, Sreyas, St. Pauls), conveners (Dr. B. Premalatha, Dr. P. Sruthi), and a co-convenor (Mr. K. Sudhakar Reddy). A QR code is provided for registration. The event is in association with the Centre for Innovation and Entrepreneurship (CIE).

## Sickle Cell Awareness Day program

NSS unit, **ST. PAULS COLLEGE OF PHARMACY**, organized an impactful Sickle Cell Awareness Day program. The event aimed to educate and spread awareness about sickle cell disease, a genetic disorder affecting millions worldwide.

### The program featured:

✔ **Interactive Workshops:** Engaging activities and discussions to help students understand the challenges faced by those living with sickle cell disease.

✔ **Student Involvement:** Heartfelt performances and presentations by our talented students, raising awareness through animation and quiz

A special thanks to Principal, Dr.M.Kiranmai, Chairman, Mr.Sudhir .Let's continue to educate ourselves and others, support those affected, and advocate for better healthcare and research.

Together, we can make a difference! 🌟👉

## The Virtual Alumni Meet, Reconvene 2024,

One becomes the Greatest of All Times is when he is reminded of his roots

The Virtual Alumni Meet, Reconvene 2024, was an engaging and nostalgic event that brought together alumni from various graduating classes. The event commenced with an introduction by the host, Mrs. Rubina, who emphasized the significance of alumni gatherings in fostering a sense of community and continuity. She highlighted the value of maintaining strong ties with one's alma mater.

Following the introduction, Dr. M. Kiranmai Principal, took the stage. She spoke about the notable achievements of alumni from different colleges and highlighted a few distinguished members who have made significant contributions in their respective fields. Dr. Kiranmai also underscored the importance and responsibility of alumni to remain connected with the institution, emphasizing how such relationships can benefit both the alumni and the college. Mrs. P. Naga Haritha provided an overview of the college's accomplishments and activities over the past year. She detailed various events, academic milestones, and infrastructural developments that have taken place, showcasing the institution's ongoing growth and success.

The meet also featured personal anecdotes and experiences shared by several alumni. These former students recounted their journeys since graduation, offering insights into their professional lives and personal growth. They also provided valuable advice and suggestions to current students, aiming to inspire and guide them.

Dr. Sunil Kumar Chaitanya acknowledged and celebrated the achievements of several alumni, highlighting their contributions and successes. He expressed pride in their accomplishments and reinforced the college's commitment to supporting its graduates.

The event concluded with a heartfelt vote of thanks, marking the end of a memorable and inspiring alumni meet.

*C. Kiranmai*

## Alumni Meeting, “Reconvene 2024

## INTERACTIVE SESSION ON REGULATORY AFFAIRS

On May 4th, 2024, Dr. Sambasivarao Tummala, Manager of Global Regulatory Affairs at Sitra Pharmaceuticals, conducted an interactive session by St. Pauls Carrier Guidance cell at our college as part of the LSSSDC course, supported by NSDC. The session focused on "Regulatory Affairs - An Industry Perception." Dr. Tummala elucidated the pivotal role of regulatory affairs in the pharmaceutical sector, stressing its significance in ensuring compliance with ever-evolving laws and regulations governing drug development and marketing. He discussed the global harmonization efforts aimed at streamlining regulatory processes across borders and facilitating international drug approvals. Attendees gained insights into the strategic importance of understanding regulatory requirements in different regions and markets, essential for successful product commercialization. Through practical examples and case studies, Dr. Tummala elucidated the challenges and best practices in regulatory

compliance, fostering interactive discussions on emerging trends and career opportunities in this dynamic field. Overall, the session equipped participants with valuable knowledge and perspectives crucial for navigating the complex landscape of regulatory affairs in the pharmaceutical industry.

We are grateful to the administration and principal for their unwavering support in planning future interactive sessions for the students.

## Orientation Day for the incoming fourth-year Pharm-D students at KIMS-Sunshine Hospital

Orientation Day for fourth-year Pharm-D students at KIMS-Sunshine Hospital  
St Pauls College of Pharmacy has delightedly conducted the **Orientation Day** for the incoming fourth-year Pharm-D students at KIMS-Sunshine Hospital on 23.04.2024. This event marks an essential milestone in academic journey of each student, providing insights and guidance as transition into the further year of Pharm-D program.

This orientation aims to acquaint students with the hospital environment, the expectations during clinical rotations, and the resources available to support their learning and professional development. Additionally, it provides a platform to address any queries or concerns students may have regarding their postings in hospital.

We thank Dr.AVN Reddy, Dr. Pavan Kulkarni- Chief health Services, Dr. Shiny - Head Nurse superintendent, & Dr Prasad Potla, Human Resource- KIMS-Sunshine Begumpet for being so supportive and kind.

St. Pauls college management Shri Kotla Sudhir- Chairman, Dr.M. Kiranmai -Convenor and Principal, Dr Are Anusha, HOD, Department of Pharmacy Practice and Preceptor Dr.Nikitha Gupta for being a part of Collaboration.

## "Empowering Future Pharma preneurs for Navigating Health Technology"

Learning gets more value on field and with hands on experience.

The team of IPA-SF St Pauls Chapter are glad to be a part of such learning in the 13th IPA STUDENT CONGRESS held at Panipat Institute of Engineering and Technology, Haryana on the theme "Empowering Future Pharma preneurs for Navigating Health Technology". We are happy to share that 12 students from our college have participated vigorously in the event to take the learning of becoming a successful Pharma preneurs.

A Hearty congratulations to Almala Aiman Pharm D second year for receiving first prize 🏆 in poster presentation and Aastha Thakur Pharm D second year for receiving the second prize 🏆 in Singing Competition organised as a part of cultural activities at the event.

Our students once again have proved our college potential by their extraordinary performances making us all proud.

The students met Dr.TV Narayana sir IPA President, Dr. A. Ramkishan Joint Drug Controller, Dr.S. Vidyadhara, IPA Education Division Chairman and we feel honoured for congratulating and encouraging our chapter for further journey.

A Heartfelt thanks to Sainath Chary Gannoji Imm Past President IPA-SF NEC, Vrushali Doshi President IPA-SF NEC, Mohit Manichandra Secretary IPA-SF NEC for coordinating and supporting us.

We would like to thank our Chairman Mr.K. Sudhir, Principal and Mentor Dr.M. Kiranmai Mentors: Dr. Somnath De, Mrs. P. Naga Haritha, Dr. Nikitha Gupta for encouraging us in participating in such events.

We would also take an opportunity to appreciate B. Mallikarjun Chairperson, A.N. Shivani Co-Editor, Mayank Sharma Program Executive Officer IPA-SF St Pauls Chapter for volunteering the students throughout the conference.

### Guest lecture on “Innovations using indigenous sources”

St Pauls IIC cell has conducted guest lecture on “Innovations using indigenous sources” by Dr. Harishankar, NIN scientist on the occasion of National Science Day.

Dr. Harishankar, remarks on the occasion, as a privilege to address the topic of Indigenous technology for "Vikshit Bharath" or Developed India. By "Indigenous technology," there are huge ideas on creative approaches and methods that have their origins in the wisdom and experience in the field of Pharmacy. He adds, India is a land full of history, culture, and information that has been handed down through the ages and have creative incredible innovations to solve the problems of in agriculture, medicine, architecture. He concluded saying, Indigenous technology has a crucial role to play in the journey towards a Developed India. By embracing and leveraging the wealth of knowledge and innovation embedded in our indigenous communities, we can pave the way for a more inclusive, sustainable, and prosperous future for all citizens of Bharat.”

All the students, faculty and the participants were encouraged to start having innovative thoughts.

Our sincere thanks to the management and Dr. Kiranmayi Mandava our principal for such exceptional opportunities for learning.

## Anti-Drug Abuse Summit 2024

As part of "NAVIGATING THE MAZE" teenage brains and addiction awareness summit, held at the BITS Pilani campus in Hyderabad, the members of NSS St Pauls Unit attended the anti-drug awareness summit on 10.02.2024 organised by the Rachakonda Security Council (RKSC) in the city.

As a component of this awareness campaign, our students took part in a number of activities, including Group Discussions and Presentation on the Theme "**Influence of Celebrities on Drug Culture: CELEBRITY SENTINELS.**"

The present youth have learnt significant points through the session, which was led by many educated, knowledgeable mentors and psychologists in association with TELANGANA PSYCOLOGISTS ASSOCIATION.

We would like to thank our Principal Dr.M Kiranmai

NSS Program Officer: Dr. Somnath De

Program Coordinator: Ms: Shaik Shireen for giving us this opportunity.

### "A talk on journey as full bright scholar"

If we could know the purpose of learning...it becomes easy to accomplish heights. All we need is a bit of commitment and dedication. Such dedication is always shown by our college management through successful learning programs.

St. Pauls College of Pharmacy in association with Avineda Innovation has conducted a session on "A talk on journey as full bright scholar" by Dr. M. Chandrashekar Garu, at 9.00 am on 8.02.2024.

Dr. Shekhar's influential presence extended beyond the classroom and research laboratory. He has provided invaluable words for students and faculty by promoting cross-cultural understanding and enriching education. Dr. Shekhar dedication to advanced pharmacy practice is highly regarded. His vision is centered around the expansion of successful initiatives aiming to create opportunities for pharmacy students to learn and implement 21st century pharmacy practices, driven by the increasing need for pharmacists to play a vital role in patient care.

He motivated students to know the purpose of studying pharmacy not just as a subject or practice but to enrich themselves and society. It also highlighted the importance of writing in a pharmacist's life and how journals, articles and abstracts fetch good knowledge and fortune. Our sincere thanks to our beloved principal ma'am Dr. Kiranmayi Mandava and our management for tremendous thought on bringing thoughts into reality through such talks.

## Knowledge sharing and awareness session 2<sup>nd</sup> Feb 2024

Knowledge is worth sharing to bring awareness A Knowledge Sharing and Awareness Session was held at St. Pauls College of Pharmacy by our students Ms. Rachana Jha (B. Pharm VII-sem, Sec-B) and Ms. K. Akhila (B. Pharm VII-sem, Sec-A) spoke about their recently finished training programme and provided the following details:

**Type of instruction:** Programme for Professional Certification Training

**Title:** Machine Learning and Artificial Intelligence: Foundations for Non-Technical Professionals.

**The programme and training was coordinated by:** The Ministry of Micro, Small, and Medium Enterprises (MSME) of the Government of India; NSIC -TSC (National Small Industries Corporation - Technical Services Centre, Okhla, Delhi).

Overall, the session had a significant impact on the students' learning process which was held for 4 consecutive days. They seized the chance to learn about neural networks, machine learning, and teachable machines. They also got hands-on experience with teachable machines by training them through experiments ✨.

We sincerely appreciate

Dr. Kiranmai - Principal

Dr. K. Nagaraju -programme coordinator for facilitating such an insightful discussion opportunities 🙏😊

## Motivational Session on Self-Analysis and Moderation for Students 19th January 2024

St. Pauls College of Pharmacy has organized a session for students by Darpan Vasudev 'Self-awareness' speaker from Hyderabad, Telangana. Mr. Darpan Vasudev's motivational session on self-analysis and moderation for students was a compelling and insightful experience. Beginning with an engaging introduction, he emphasized the importance of self-awareness and the role of moderation in personal growth. Through interactive activities, students were guided to assess their strengths and weaknesses, fostering a deeper understanding of their potential. Mr. Vasudev expertly navigated the complexities of goal-setting and planning, encouraging participants to set realistic objectives. His anecdotes and motivational stories illustrated the transformative power of self-analysis and moderation. The session also addressed challenges, providing practical strategies for overcoming obstacles. An interactive Q&A segment allowed students to seek personalized advice, enhancing the session's relevance. Initial feedback suggests a positive impact, with participants expressing gratitude for the valuable guidance received. Mr. Darpan Vasudev's session successfully inspired students towards self-improvement and adopting a balanced approach to their personal and academic pursuits.

Thanks to our Principal Kiranmai Mandava and Chairman Sri. K. Sudhir Garu for continuous support and encouragement.

## India as a Viksit Bharat on 11 December, 2023

It is the idea of making India a developed nation by 2047, the 100th year of its Independence. This goal looks achievable, given the pace with which the country is moving ahead. This moment also gives us an opportunity to assess the idea of development intended.

On this note we NSS St. Pauls Unit have organised a seminar on India's Amrit Kal and things to be developed to make **India as a Viksit Bharat**. The students gave their ideas on the topic and we have also conducted a Group Discussion and Debate on the four elements i.e., Economic growth, social progress, Environmental Sustainability & Good Governance.

A special thanks to:

Our principal: Dr. Kiranmai Mandava

*Kiranmai*
