## SWACHI HI SEVA - 2024 Program at Turkayamjal Village

The **NSS unit** of **ST. PAULS COLLEGE OF PHARMACY**, in collaboration with the Greater Hyderabad Municipal Corporation (GHMC), organized the '**SWACHI HI SEVA 2024**' campaign from 17th September to 2nd October 2024 in Turkayamjal village, Hyderabad. This initiative was conducted in alignment with the nationwide Swachh Bharat Mission, aiming to foster cleanliness, environmental responsibility, and community involvement. By emphasizing cleanliness and environmental conservation, the initiative had a profound impact on public places and encouraged participants to take pride in their community.

### Program Highlights:

- Cleanliness Drive
- Plantation Drive
- Community Engagement
- Waste Management Awareness

The NSS unit of St. Pauls College of Pharmacy extends its gratitude to the GHMC team for their unwavering support and guidance throughout the program.

### Special thanks to

- # Dr. Somnath De - NSS Program Officer
- # Ms. Shaik Shireen - Coordinator
- # Mrs. Nikitha Gupta - Coordinator

## \*World Pharmacist Day - 25th September 2024\*

**"Pharmacists: The heart of healthcare, safeguarding lives every day."**

St. Pauls College of Pharmacy celebrated **World Pharmacist Day** with enthusiasm, highlighting the crucial role pharmacists play in healthcare. The event featured distinguished guests, including **Sri KC Chaudhury** (Ex-Assistant Director, MEME-DFO Hyderabad, Ministry of MSME) and **Prof. Malla Reddy** (Emeritus Professor in Pharmacy), who spoke on innovation, entrepreneurship, and the importance of mastering pharmacy fundamentals.

Students were celebrated for their achievements in the Smart India Hackathon, demonstrating innovative solutions in pharmacy. The event underscored the importance of continuous learning, collaboration, and the vital role pharmacists play in public health.

The guests were felicitated by the college management for their contributions to the event and their continued support for the advancement of pharmaceutical education. A token of appreciation was presented to Sri KC Chaudhury and Prof. Malla Reddy, honoring their dedication to the field.

### **Special thanks to**

#### **Convenor**

Dr. Kiranmai Mandava – Professor and Principal

#### **Co-ordinators**

Dr. P. Roja – Assistant Professor, Dep. of Pharmacology

Mr. K. Sareesh - Assistant Professor, Dept Pharmaceutical Analysis

We would like to express our gratitude to our management for their dedicated efforts in organizing pharmacy-related expert talks for students, with the goal of fostering the next generation of caring leaders.

## NSS Foundation Day: A Day of Service and Commitment

On September 24th, 2024, NSS unit, **ST. PAULS COLLEGE OF PHARMACY** celebrated NSS Foundation Day, commemorating the program's establishment in 1969. Program Officer Dr. Somnath De delivered a keynote address highlighting the importance of community service in nation-building, while Program Coordinator Ms. Shaik Shireen emphasized social responsibility and encouraged students to become NSS volunteers. A nostalgic video showcased the work of volunteers over the past three years, featuring activities such as cleanliness drives, blood donation camps, tree plantations, and awareness rallies.

- Dr. Somnath De – NSS Program Officer

- NSS volunteers

Special thanks to Professor & Principal Dr. Kiranmai Mandava, our Chairman Shri K. Sudhir Garu for their unwavering support.

### NSS Orientation Day - "Not Me, But You."

St. Pauls College of Pharmacy enthusiastically conducted NSS Orientation Day on September 23, 2024, to promote community service and social responsibility among students. Professor and Principal Dr. Kiranmai Mandava and Dr. Somnath De, Professor & HOD, department of Pharmacology hosted the session.

Dr. Kiranmai Mandava launched the session with an encouraging speech about the National Service Scheme (NSS), its purpose to engage young in nation-building, and the significance of balancing academics with social service. She emphasized how NSS participation may help students grow personally and communally.

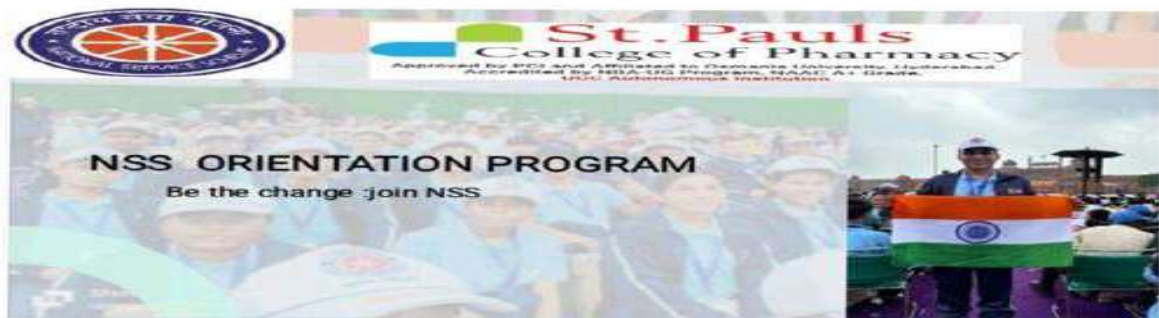

Dr. Somnath De gave an entertaining discussion on how NSS helps students become responsible citizens. He stressed that volunteering improves leadership, communication, and teamwork in pupils. He explained how NSS principles coincide with the SDGs and encouraged students to meaningfully contribute to society through outreach projects.

The orientation also highlighted forthcoming NSS events in health, education, and sustainability, encouraging students to participate.

sincere thanks to our management efforts to incorporate social consciousness into education to develop compassionate leaders.

Special thanks to

## COMMUNITY OUTREACH PROGRAMME on 19th September.

"Our responsibility extends beyond the walls of the pharmacy - it's about empowering the community to recognize and report adverse drug reactions," said Dr. M. Kiranmai, Principal of St. Pauls College of Pharmacy, as she opened the Community Outreach Programme on September 19, 2024, in Manchal Village. Organized in collaboration with the Indian Pharmacopoeia Commission (IPC) during the 4th National Pharmacovigilance Week, the event focused on raising awareness of the importance of adverse drug reaction (ADR) reporting.

Under the theme "Building ADR Reporting Culture for Patient Safety," the programme aimed to educate community members, patients, and caregivers about pharmacovigilance and its essential role in ensuring medication safety.

The initiative effectively raised community awareness, empowering participants to actively contribute to medication safety. Feedback from attendees indicated that they felt more confident in identifying and reporting ADRs, aligning with the programme's goals. The outreach not only strengthened the relationship between the Department of Pharmacy and Manchal Village but also laid the groundwork for future health collaborations.

## WALKATHON ON ADR REPORTING CULTURE FOR PATIENT SAFETY

St. Pauls College of Pharmacy, in collaboration with the Indian Pharmacopoeia Commission (IPC), organized a **Walkathon on September 18, 2024**, as part of the 4th Pharmacovigilance Week. The event, centered around the theme "**Building ADR Reporting Culture for Patient Safety**" aimed to raise public awareness on the importance of drug safety and the critical role of reporting adverse drug reactions (ADRs). It provided a platform for students and faculty to actively engage in promoting a culture of ADR reporting, with patient safety as the ultimate goal. The event was inaugurated by Dr. M. Kiranmai, Principal of St. Pauls College of Pharmacy, and Dr. Are Anusha, Head of the Department of Pharmacy Practice. Both stressed the crucial role pharmacists play in ensuring drug safety and the importance of establishing a strong framework for ADR reporting. Dr. Kiranmai noted, "**Pharmacists are the first line of defence**" when it comes to drug safety. A proactive ADR reporting system is essential to protecting patient health and well-being. This initiative has helped further embed a culture of vigilance and safety in drug usage, reinforcing the vital role of pharmacists in healthcare.

## Drug Abuse Rally

To be right...we all need to fight right...

Such a case is with drug abuse.

As an Indian citizen it is our responsibility to work towards the eradication of drug abuse and keep our younger generations safe and secured.

As a part of NSS program, Students of **ST. PAULS COLLEGE OF PHARMACY** have attended **Drug Abuse Rally**@ Fabcity, Thukkuguda on 27th June 2024, to create awareness on Drug Abuse. They got inspired by the speech of Police Commissioner Dr. Tarun Joshi. They took oath on prevention of drug abuse and to create awareness amongst its use.

We are very thankful to our Principal, Dr. Kiranmai Mandava and our Chairman Sri. K. Sudhir Garu for encouraging the students to participate in such events.

Thanks to

→ NSS program officer - Dr. Somnath De

→ All Teaching, Non-teaching and student's coordinators and volunteers.

Our special thanks to Rachakonda police   commissioner for initiating this program.

As a part of NSS program, Students of St. Pauls College of Pharmacy have attended Drug Abuse Rally@ Fabcity, Thukkuguda on 27th June 2024, to create awareness on Drug Abuse.

## DRUG ABUSE AWARENESS SESSIONS

Say No to drugs and say yes to healthy living

Drug abuse remains a critical issue affecting millions of people worldwide. To combat this pervasive problem, drug abuse awareness sessions are essential. These sessions aim to educate individuals and communities about the dangers of drug use, provide support to those struggling with addiction, and promote healthy, drug-free.

NSS unit and IPA-SF chapter of St. Pauls College of Pharmacy conducted a program on 26.06.2024, Students and faculty in seminar to create awareness on Drug abuse and illicit trafficking which pose significant global challenges, threatening health, security, and economic stability.

We would like to thank Principal Dr. Kiranmai Mandava, Our management for their continuous support.

## Sickle Cell Awareness Day program

NSS unit, **ST. PAULS COLLEGE OF PHARMACY**, organized an impactful Sickle Cell Awareness Day program. The event aimed to educate and spread awareness about sickle cell disease, a genetic disorder affecting millions worldwide.

### The program featured:

✔ **Interactive Workshops:** Engaging activities and discussions to help students understand the challenges faced by those living with sickle cell disease.

✔ **Student Involvement:** Heartfelt performances and presentations by our talented students, raising awareness through animation and quiz

A special thanks to Principal, Dr.M.Kiranmai, Chairman, Mr.Sudhir .Let's continue to educate ourselves and others, support those affected, and advocate for better healthcare and research.

Together, we can make a difference! 🌟

## Workshop on entrepreneurship in agriculture and farming 4<sup>th</sup> May 2023

We can never take farming easily...Knowing and Learning about Farming is as important as education.

Workshop on entrepreneurship in agriculture and farming @ MoE Innovation cell.

St Pauls IIC cell and Industry internship cell has organized a workshop on cultivation and planning a startup based on agriculture products and support from CSIR -CIMAP Hyderabad. The workshop highlighted on farming methods and importance of organic cultivation to improve yield and production

Highlights

- ✔ Entrepreneurial aspects in agriculture
- ✔ Knowledge on yield and market of various plants and its products at commercial level
- ✔ Cultivation strategies to improve yield
- ✔ Innovation and developments in organic cultivation.
- ✔ Special thanks to the management and principal for such a knowledgeable workshop

We heartily thank our management and principal for continuous support in arranging education visits.

### Workshop on Entrepreneurship in Agriculture and Farming

**World Water Day 2024** 🌊🌍,

As we mark **World Water Day 2024** 🌊🌍, We NSS-St Pauls unit reminded of the crucial role water plays in sustaining day to day life on this planet. This year's theme, "**Water for Peace**" highlights the urgent need for collective action to address the challenges posed by climate change on water resources.

This year, as we reflect on the significance of water, let us also recognize the interconnectedness between water and climate.

On World Water Day 2024, let us renew our commitment to safeguarding this precious resource for future generations. Together, we can work towards a more sustainable and water-secure future.

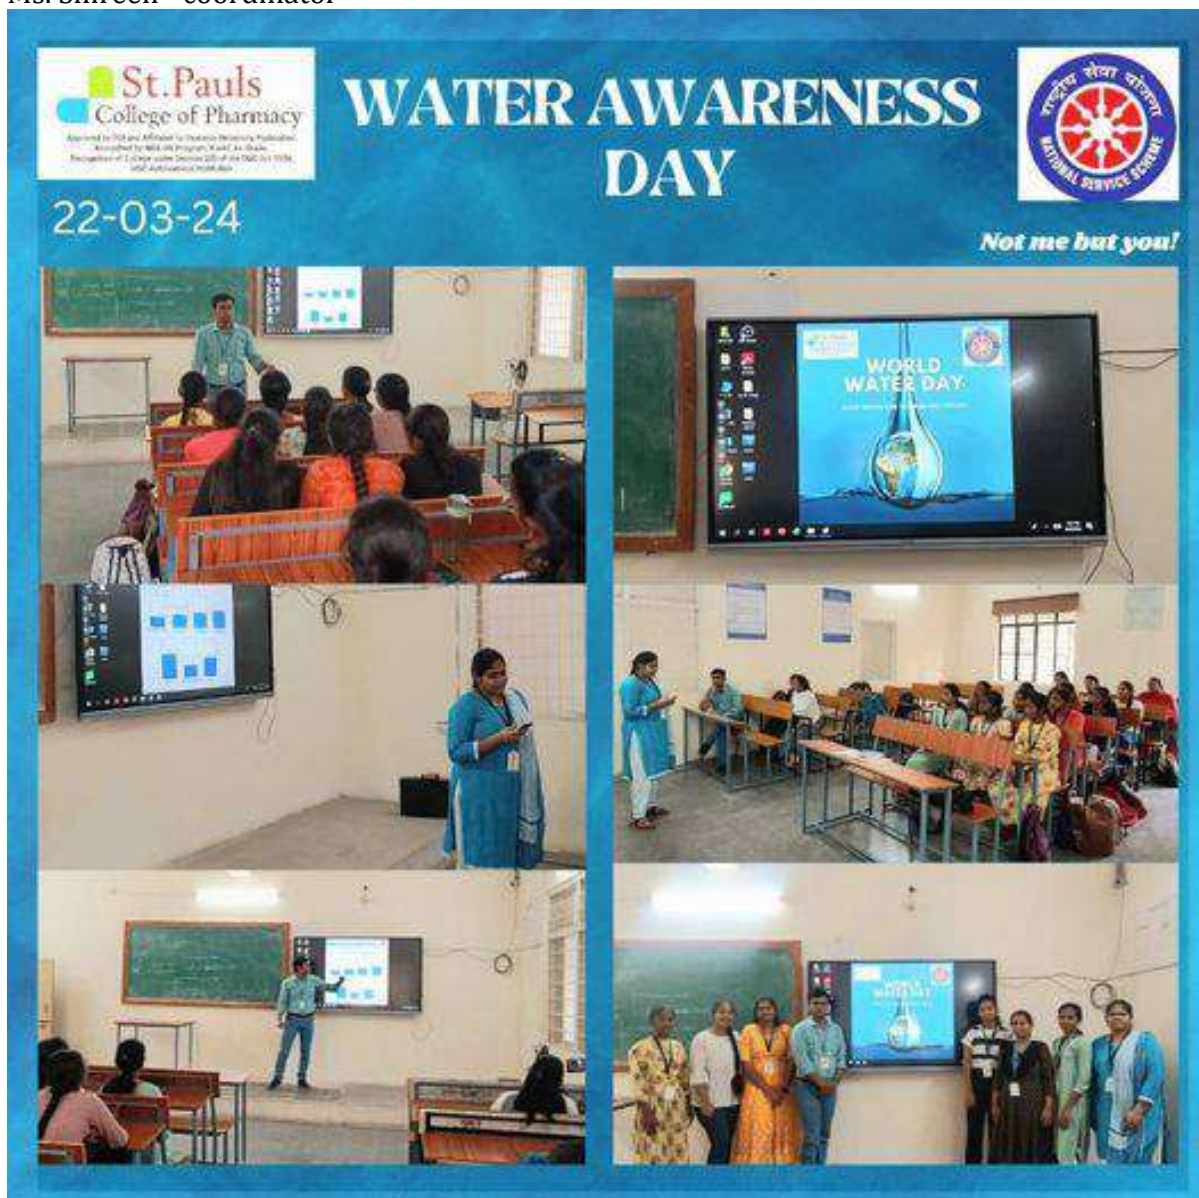

Let us all pledge together to save water.

We would like to thank our Principal Dr. M. Kiranmai and Chairman K. Sudhir Garu

NSS program coordinators

Dr. Somnath De -Program officer

Ms. Shireen - coordinator

## Election Awareness program

Voting is the only choice for every citizen to elect the appropriate leader for the bright future of its country.

To imbibe such awareness on the first time and right voting, Turkyamjal municipal Commissioner has conducted an **Election Awareness program** on 18th April 2024 regarding the election.

Now a days in urban areas the voting percentage are getting low as per the ECI as the rural areas voting percentage is high. So, the Turkyamjal municipal Commissioner has conducted a session regarding the voting as every youth has to come forward and do the voting.

Our sincere thanks to our beloved principal Dr. Kiranmai Mandava and our management.

**National Pharmacy Education Day** 🎉📚💊🏛️☀️

Right education leads to right futuristic path

St. Pauls College of Pharmacy organized **National Pharmacy Education Day** 🎉📚💊🏛️☀️ on March 6th, 2024, with the theme "Pharma Anveshan 2024," commemorating the 122nd birth anniversary of Prof. Mahadev Lal Shroff, the pioneer in Pharmacy education. The event is highlighted with a panel discussion focusing on "Leveraging Synergism: Industry-Academia Education Policy." Esteemed panellists comprised of Sri R.K. Agrawal, President of the Bulk Drug Industry of India; Mr. Satya Prasad PV, MD of Smart Labtech Ltd., Hyderabad; Dr. Falguni Pati, Head of the Department of Biomedical Engineering, IIT-Hyderabad; Mr. Rajaneesh, Representative of Servant Leaders' Community for Pharma; and Dr. Prakash Katakam, Principal of Indira College of Pharmacy, Nanded, Maharashtra.

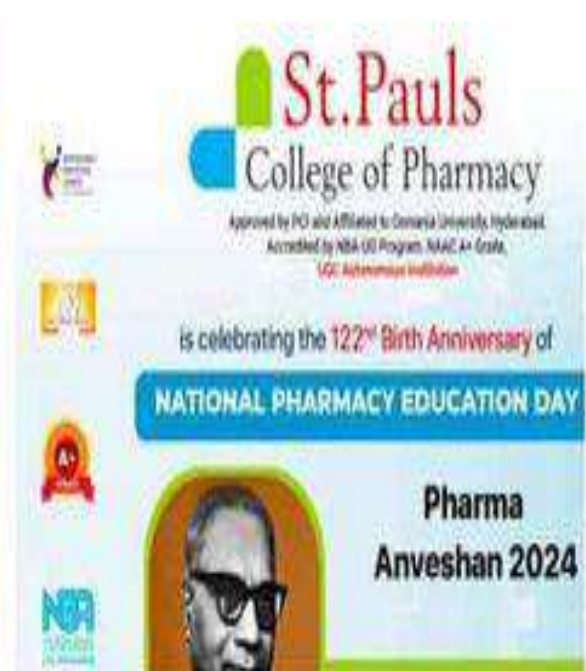

Our Principal Dr. Kiranmai Mandava extended a warm welcome to the guests and provided an overview of the program to the audience. The panellists deliberated on various gap-filling initiatives aimed at bridging the industry-academia divide and stressed on the importance of fostering research enthusiasm among undergraduate students. The faculty and students of B. Pharmacy and Pharm.D actively engaged in the panel discussion and took home some important tips.

We would love to acknowledge the efforts of the management and principal in organizing events that facilitate connections between academia and industry. These initiatives play a pivotal role in enhancing students' career prospects and professional growth. Building bridges between academic knowledge and practical industry experience is essential for students' success and future opportunities.

Special Thanks to moderators of the program

## National level Scientific Model-Hackathon

Competition Presentation of scientific models and ideas based on indigenous sources at the national level.

"Indigenous technology for Vikshit Bharath" was the subject of a national-level scientific model presentation, which included a competition with the same title. Thirty students have signed up and shared their innovations and ideas. The three highest scorers each received a monetary reward.

The National Science Day event at St. Pauls College of Pharmacy on February 28, 2024, was a resounding success, with students, staff, and guests expressing nothing but praise. Its goals included encouraging students to think critically, building bridges between disciplines, and encouraging a culture of innovation and inquiry on campus. This event truly showcased the college's dedication to fostering top-notch science teaching and research.

We would like to express our deepest appreciation to everyone who played a part in making this event a smashing success, including the organizers, volunteers, sponsors, and attendees. As we move forward, we intend to increase our understanding of the world and its problems and to have a positive impact on society.

## National Science Day 🇮🇳🧪

National Science Day 2024: **Indigenous Technologies for Vikshit Bharath.**

Celebrating **National Science Day** 🇮🇳🧪 2024: Harnessing Indigenous Technologies for a Strong India.

National Science Day aims to promote a scientific temperament among the population and highlight the significance of science in everyday life. Educational institutions, scientific organizations. Various other institutions across the country organize events, seminars, workshops, and exhibitions to celebrate the occasion.

This year on February 28, under the theme of "Indigenous technology for Vikshit Bharath," the St. Pauls IIC and NSS unit hosted a national-level scientific model presentation and ideation competition for students and faculty. It serves as a reminder of India's scientific achievements and contributions to the global landscape. The theme emphasises the need for self-reliance in science, addressing issues important for humanity. Idea presentation competition was conducted and Guest lecture on indigenous innovations by Harishankar sir was the highlight of the event. Judges Dr. Prakash Katakam, and Dr. Kiranmai Mandava, Principal, St. Pauls College of Pharmacy have awarded the students in the first three places of competition.

We extend our heartfelt gratitude to all the participants, organizers, volunteers, sponsors, and well-wishers who contributed to the success of this event. We look forward to continuing our journey towards advancing scientific knowledge and making meaningful contributions to society

### Guest lecture on “Innovations using indigenous sources”

St Pauls IIC cell has conducted guest lecture on “Innovations using indigenous sources” by Dr. Harishankar, NIN scientist on the occasion of National Science Day.

Dr. Harishankar, remarks on the occasion, as a privilege to address the topic of Indigenous technology for "Vikshit Bharath" or Developed India. By "Indigenous technology," there are huge ideas on creative approaches and methods that have their origins in the wisdom and experience in the field of Pharmacy. He adds, India is a land full of history, culture, and information that has been handed down through the ages and have creative incredible innovations to solve the problems of in agriculture, medicine, architecture. He concluded saying, Indigenous technology has a crucial role to play in the journey towards a Developed India. By embracing and leveraging the wealth of knowledge and innovation embedded in our indigenous communities, we can pave the way for a more inclusive, sustainable, and prosperous future for all citizens of Bharat.”

All the students, faculty and the participants were encouraged to start having innovative thoughts.

Our sincere thanks to the management and Dr. Kiranmayi Mandava our principal for such exceptional opportunities for learning.

## Anti-Drug Abuse Summit 2024

As part of "NAVIGATING THE MAZE" teenage brains and addiction awareness summit, held at the BITS Pilani campus in Hyderabad, the members of NSS St Pauls Unit attended the anti-drug awareness summit on 10.02.2024 organised by the Rachakonda Security Council (RKSC) in the city.

As a component of this awareness campaign, our students took part in a number of activities, including Group Discussions and Presentation on the Theme "**Influence of Celebrities on Drug Culture: CELEBRITY SENTINELS.**"

The present youth have learnt significant points through the session, which was led by many educated, knowledgeable mentors and psychologists in association with TELANGANA PSYCOLOGISTS ASSOCIATION.

We would like to thank our Principal Dr.M Kiranmai

NSS Program Officer: Dr. Somnath De

Program Coordinator: Ms: Shaik Shireen for giving us this opportunity.

*C Kiranmai*

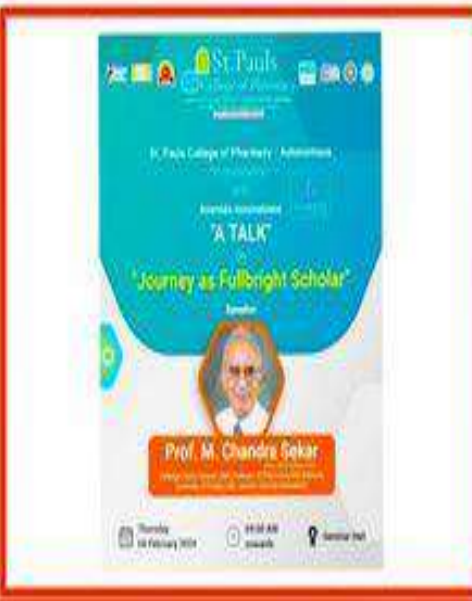

### "A talk on journey as full bright scholar"

If we could know the purpose of learning...it becomes easy to accomplish heights. All we need is a bit of commitment and dedication. Such dedication is always shown by our college management through successful learning programs.

St. Pauls College of Pharmacy in association with Avineda Innovation has conducted a session on "A talk on journey as full bright scholar" by Dr. M. Chandrashekar Garu, at 9.00 am on 8.02.2024.

Dr. Shekhar's influential presence extended beyond the classroom and research laboratory. He has provided invaluable words for students and faculty by promoting cross-cultural understanding and enriching education. Dr. Shekhar dedication to advanced pharmacy practice is highly regarded. His vision is centered around the expansion of successful initiatives aiming to create opportunities for pharmacy students to learn and implement 21st century pharmacy practices, driven by the increasing need for pharmacists to play a vital role in patient care.

He motivated students to know the purpose of studying pharmacy not just as a subject or practice but to enrich themselves and society. It also highlighted the importance of writing in a pharmacist's life and how journals, articles and abstracts fetch good knowledge and fortune. Our sincere thanks to our beloved principal ma'am Dr. Kiranmayi Mandava and our management for tremendous thought on bringing thoughts into reality through such talks.

**"Clean place is a symbol of clean heart and a clean mind"**

Swachh Bharat Abhiyan is a call for action to each and every citizen to take responsibility for their surroundings. Let's make cleanliness a habit and not just a one-day event. The true wealth of a nation lies in its cleanliness and hygiene. Swachh Bharat Abhiyan is not just a slogan, it's a way of life.

NSS St Pauls Unit conducted the Swachh Bharat Campaign in the college campus on 03/02/2024 in which all the Volunteers participated actively and cleaned the surroundings reminding the urgency of keeping clean and green everywhere.

A Heartfelt thanks to

our Principal - Dr. M Kiranmai

Program Officer - Dr. Somnath De

Ms Shaik Shireen -Program Coordinator

All students coordinators for helping us in making the event a grand success.

## Happy 75th Republic Day.

A nation's culture resides in the heart and the soul of its people.

### A Happy 75th Republic Day.

St. Pauls College of Pharmacy celebrated the pride festival of the nation, the 75th Republic Day in order to honour the country's culture. The management and the staff participated in the event where the flag was hoisted high with a reminder to everyone that it is the symbol of following our country's culture and follow its rules and regulations.

Thanks to our Management and our Principal for making this pride celebration happen with happiness.

### **National Youth Day 2024**

**National Youth Day 2024**, celebrated on January 12th, is an event that honours the birth anniversary of Swami Vivekananda.

Theme: **“Arise, Awake, and Realise the Power You Hold.”**

In this regard NSS St Pauls Unit have organized **"Pariksha Pe Charcha"** an annual discussion held every year. During this event the Prime minister of India shares valuable tips on how to take board and entrance exams in a relaxed and stress-free manner.

At this event students of our college have actively participated and expressed their views on how to overcome different situations like stress and fear. Ways to boost self-confidence. The participants also shared their views and Ideas about different sectors and present problems. At the end of the session our Program Officer Dr. Somnath De motivated all the students by narrating different stories of Swamy Vivekananda and the session ended with the National Anthem and NSS Claps.

A Heartfelt thanks to our Principal Dr. M Kiranmai, Program Officer Dr. Somnath De and Program Coordinator Ms Shaik Shireen mam for helping us in making the event a grand success.

## Makar Sankranti-Traditional Day

Makar Sankranti is a day filled with fun activities and relishing traditional food that indicated new rays of sunlight as blessings. This harvest festival is celebrated with much enthusiasm across the country though its rituals and name vary.

As a part of fun and learning our college conducted Rangoli competition for all the girls and Traditional walk for boys where our male faculty members stood the highlight.

Our sincere thanks to the management and our beloved principal ma'am for letting such wonderful events happen.

*C. Chandra*

## India as a Viksit Bharat on 11 December, 2023

It is the idea of making India a developed nation by 2047, the 100th year of its Independence. This goal looks achievable, given the pace with which the country is moving ahead. This moment also gives us an opportunity to assess the idea of development intended.

On this note we NSS St. Pauls Unit have organised a seminar on India's Amrit Kal and things to be developed to make **India as a Viksit Bharat**. The students gave their ideas on the topic and we have also conducted a Group Discussion and Debate on the four elements i.e., Economic growth, social progress, Environmental Sustainability & Good Governance.

A special thanks to:

Our principal: Dr. Kiranmai Mandava

*Kiranmai*
