11	National youth Day-Pariksha pe Charcha	Pharmacy Events	IQAC &IIC	12th January 2024

## **\*World Pharmacist Day - 25th September 2024\***

**"Pharmacists: The heart of healthcare, safeguarding lives every day."**

St. Pauls College of Pharmacy celebrated **World Pharmacist Day** with enthusiasm, highlighting the crucial role pharmacists play in healthcare. The event featured distinguished guests, including **Sri KC Chaudhury** (Ex-Assistant Director, MEME-DFO Hyderabad, Ministry of MSME) and **Prof. Malla Reddy** (Emeritus Professor in Pharmacy), who spoke on innovation, entrepreneurship, and the importance of mastering pharmacy fundamentals.

Students were celebrated for their achievements in the Smart India Hackathon, demonstrating innovative solutions in pharmacy. The event underscored the importance of continuous learning, collaboration, and the vital role pharmacists play in public health.

The guests were felicitated by the college management for their contributions to the event and their continued support for the advancement of pharmaceutical education. A token of appreciation was presented to Sri KC Chaudhury and Prof. Malla Reddy, honoring their dedication to the field.

### **Special thanks to**

#### **Convenor**

Dr. Kiranmai Mandava – Professor and Principal

#### **Co-ordinators**

Dr. P. Roja – Assistant Professor, Dep. of Pharmacology

Mr. K. Sareesh - Assistant Professor, Dept Pharmaceutical Analysis

We would like to express our gratitude to our management for their dedicated efforts in organizing pharmacy-related expert talks for students, with the goal of fostering the next generation of caring leaders.

### **COMMUNITY OUTREACH PROGRAMME on 19th September.**

"Our responsibility extends beyond the walls of the pharmacy - it's about empowering the community to recognize and report adverse drug reactions," said Dr. M. Kiranmai, Principal of St. Pauls College of Pharmacy, as she opened the Community Outreach Programme on September 19, 2024, in Manchal Village. Organized in collaboration with the Indian Pharmacopoeia Commission (IPC) during the 4th National Pharmacovigilance Week, the event focused on raising awareness of the importance of adverse drug reaction (ADR) reporting.

Under the theme "Building ADR Reporting Culture for Patient Safety," the programme aimed to educate community members, patients, and caregivers about pharmacovigilance and its essential role in ensuring medication safety.

The initiative effectively raised community awareness, empowering participants to actively contribute to medication safety. Feedback from attendees indicated that they felt more confident in identifying and reporting ADRs, aligning with the programme's goals. The outreach not only strengthened the relationship between the Department of Pharmacy and Manchal Village but also laid the groundwork for future health collaborations.

## WALKATHON ON ADR REPORTING CULTURE FOR PATIENT SAFETY

St. Pauls College of Pharmacy, in collaboration with the Indian Pharmacopoeia Commission (IPC), organized a **Walkathon on September 18, 2024**, as part of the 4th Pharmacovigilance Week. The event, centered around the theme "**Building ADR Reporting Culture for Patient Safety**" aimed to raise public awareness on the importance of drug safety and the critical role of reporting adverse drug reactions (ADRs). It provided a platform for students and faculty to actively engage in promoting a culture of ADR reporting, with patient safety as the ultimate goal. The event was inaugurated by Dr. M. Kiranmai, Principal of St. Pauls College of Pharmacy, and Dr. Are Anusha, Head of the Department of Pharmacy Practice. Both stressed the crucial role pharmacists play in ensuring drug safety and the importance of establishing a strong framework for ADR reporting. Dr. Kiranmai noted, "**Pharmacists are the first line of defence**" when it comes to drug safety. A proactive ADR reporting system is essential to protecting patient health and well-being. This initiative has helped further embed a culture of vigilance and safety in drug usage, reinforcing the vital role of pharmacists in healthcare.

## "MSME Idea Hackathon 4.0"

Dear Eligible Aspirants (Indians Aged between 18-35 Years),  
 Greetings from **ST. PAULS COLLEGE OF PHARMACY-UGC Autonomous**.

Do you have any Innovative Idea in Your Mind???

Are you looking for the support to convert your Idea into a Business in the Market???

Yes. We are here to Support You.

St. Pauls College of Pharmacy, an Approved Host Institute-Business Incubator (HI-BI) under the Ministry of MSME, is inviting interested Aspirants to Come-up with Innovative Ideas to apply in "**MSME Idea Hackathon 4.0**". St. Pauls has already proved its efficiency in Last year's scheme (MSME Idea Hackathon 3.0) by getting approvals for three ideas with a grant of 15 lakhs each.

So, Dear aspirants, we assure you to initiate and support your idea with our well organized and experienced team of mentors.

Last Date to Apply: 26-09-2024.

Thanks, and regards

- HI-BI (MSME) Cell of St. Pauls
- Dr. M. Kiranmai, Professor & Principal - HI-BI Chairperson
- Dr. Naga Raju Kandukoori - HI-BI Coordinator

For any Queries, Contact: 9603241824

The poster for MSME Idea Hackathon 4.0 features the St. Pauls College of Pharmacy logo at the top left, the MSME logo and Ministry of MSME, Govt. of India at the top right, and a central illustration of people brainstorming around a large lightbulb. The text 'MSME IDEA HACKATHON 4.0 (For Young Innovators\* of the Nation)' is prominently displayed. Below this, the dates '11th - 26th September, 2024' are given. A flowchart outlines the process: 'Submit Ideas/Innovations' leads to 'Get Validation at Proposal Under Consideration Stage', which then leads to 'Receive financial assistance upto Rs. 15 Lakh per approved idea'. The 'Primary Themes for Ideas' are listed in a central column: 'PM Vishwakarma-18 Trades', 'Frontier Technology in MSME', 'Export enhancement and Indigenisation', and 'Sustainable Development'. Logos of various institutions and organizations are shown on the sides. At the bottom, there is a QR code for registration, information about who can apply (youngsters from India aged 18 to 35 years), the HIBI coordinator (Dr. Naga Raju Kandukoori), contact information (+91 96032 41824), and a list of student coordinators: R. Bhavya (9030495283) and B. Rohith Kumar (9398891932).

## National Pharmacy Education Day 🎉📚💊🔬☀️

Right education leads to right futuristic path

St. Pauls College of Pharmacy organized **National Pharmacy Education Day** 🎉📚💊🔬☀️ on March 6th, 2024, with the theme "Pharma Anveshan 2024," commemorating the 122nd birth anniversary of Prof. Mahadev Lal Shroff, the pioneer in Pharmacy education. The event is highlighted with a panel discussion focusing on "Leveraging Synergism: Industry-Academia Education Policy." Esteemed panellists comprised of Sri R.K. Agrawal, President of the Bulk Drug Industry of India; Mr. Satya Prasad PV, MD of Smart Labtech Ltd., Hyderabad; Dr. Falguni Pati, Head of the Department of Biomedical Engineering, IIT-Hyderabad; Mr. Rajaneesh, Representative of Servant Leaders' Community for Pharma; and Dr. Prakash Katakam, Principal of Indira College of Pharmacy, Nanded, Maharashtra.

Our Principal Dr. Kiranmai Mandava extended a warm welcome to the guests and provided an overview of the program to the audience. The panellists deliberated on various gap-filling initiatives aimed at bridging the industry-academia divide and stressed on the importance of fostering research enthusiasm among undergraduate students. The faculty and students of B. Pharmacy and Pharm.D actively engaged in the panel discussion and took home some important tips.

We would love to acknowledge the efforts of the management and principal in organizing events that facilitate connections between academia and industry. These initiatives play a pivotal role in enhancing students' career prospects and professional growth. Building bridges between academic knowledge and practical industry experience is essential for students' success and future opportunities.

Special Thanks to moderators of the program

### **National level Scientific Model-Hackathon**

Competition Presentation of scientific models and ideas based on indigenous sources at the national level.

"Indigenous technology for Vikshit Bharath" was the subject of a national-level scientific model presentation, which included a competition with the same title. Thirty students have signed up and shared their innovations and ideas. The three highest scorers each received a monetary reward.

The National Science Day event at St. Pauls College of Pharmacy on February 28, 2024, was a resounding success, with students, staff, and guests expressing nothing but praise. Its goals included encouraging students to think critically, building bridges between disciplines, and encouraging a culture of innovation and inquiry on campus. This event truly showcased the college's dedication to fostering top-notch science teaching and research.

We would like to express our deepest appreciation to everyone who played a part in making this event a smashing success, including the organizers, volunteers, sponsors, and attendees. As we move forward, we intend to increase our understanding of the world and its problems and to have a positive impact on society.

## National Science Day 🧪🌱

National Science Day 2024: **Indigenous Technologies for Vikshit Bharath.**

Celebrating **National Science Day** 🧪🌱 2024: Harnessing Indigenous Technologies for a Strong India.

National Science Day aims to promote a scientific temperament among the population and highlight the significance of science in everyday life. Educational institutions, scientific organizations. Various other institutions across the country organize events, seminars, workshops, and exhibitions to celebrate the occasion.

This year on February 28, under the theme of "Indigenous technology for Vikshit Bharath," the St. Pauls IIC and NSS unit hosted a national-level scientific model presentation and ideation competition for students and faculty. It serves as a reminder of India's scientific achievements and contributions to the global landscape. The theme emphasises the need for self-reliance in science, addressing issues important for humanity. Idea presentation competition was conducted and Guest lecture on indigenous innovations by Harishankar sir was the highlight of the event. Judges Dr. Prakash Katakam, and Dr. Kiranmai Mandava, Principal, St. Pauls College of Pharmacy have awarded the students in the first three places of competition.

We extend our heartfelt gratitude to all the participants, organizers, volunteers, sponsors, and well-wishers who contributed to the success of this event. We look forward to continuing our journey towards advancing scientific knowledge and making meaningful contributions to society

### **National Youth Day 2024**

**National Youth Day 2024**, celebrated on January 12th, is an event that honours the birth anniversary of Swami Vivekananda.

Theme: **"Arise, Awake, and Realise the Power You Hold."**

In this regard NSS St Pauls Unit have organized "**Pariksha Pe Charcha**" an annual discussion held every year. During this event the Prime minister of India shares valuable tips on how to take board and entrance exams in a relaxed and stress-free manner.

At this event students of our college have actively participated and expressed their views on how to overcome different situations like stress and fear. Ways to boost self-confidence. The participants also shared their views and Ideas about different sectors and present problems. At the end of the session our Program Officer Dr. Somnath De motivated all the students by narrating different stories of Swamy Vivekananda and the session ended with the National Anthem and NSS Claps.

A Heartfelt thanks to our Principal Dr. M Kiranmai, Program Officer Dr. Somnath De and Program Coordinator Ms Shaik Shireen mam for helping us in making the event a grand success.
